Please note:
Under IRS publication 15-B, "the value of an employee and/or family member's use of an off-site athletic facility provided by an employer is taxable income to the employee." As such, the value of the gym memberships provided by the State for facilities not on state premises must be reported on the employee's W-2.

Beginning in 2012, this policy will be enforced for any state of Maine employee that uses a gym facility other than the Eastside, Westside or Bangor Wellness Centers. As mentioned in the above policy, the value of the gym membership will be reported on your W-2 as taxable income. Each gym facility membership cost is unique. Therefore, the taxable income to each individual will differ based on the gym facility they have chosen to use.

Please inform Valerie Leathers, gym coordinator at valerie.leathers@mainegeneral.org or 620-9167, if you are not using your gym membership or if you need to cancel your membership.

I certify the above information is true and I agree to notify MaineGeneral staff of any changes to this application or in my medical status.
