- **Both cash and in-kind contributions count toward the $50 threshold.**
- **Enter the occupation and employer for every individual contirbuting more than $50 in this reporting period.**
- **If you have requested employment information from the contributor and the contributor has not provided it, indicate "information requested" for the occupation and employer.**
- **For cash contributions totalling $50 or less, please enter "total of contributions $50 or less" and the total amount on a line on this page. Once a contributor has given you more than $50 in a reporting period, you must list that contributor separately.**
- **On the first report of the election cycle only, include the total of any surplus funds from a previous election cycle that you are trasferring to your 2006 campaign.**

Total contributions from the same source (except the candidate and candidate's spouse) may NOT exceed $250 in any election for county and legislative office and $500 in any election for Governor. The primary and general elections are considered separate elctions.
