Communities for Maine's Future

"Meeting Maine's Downtown Challenge"

Application Workshop

Did you know the Maine Office of Community Development will distribute $3,000,000 in Communities for Maine's Future funding to Maine communities in 2011? This important program will provide funding to eligible Maine communities for downtown or village center community infrastructure projects which promote sustainable development.

Want to find out how CFMF may help your community?

Attend a 2011 Application Workshop!
