**POSITION TYPE:** Permanent Full Time **POSITION NUMBER:** 08320-1577

*The Department of Environmental Protection, Licensing Unit of the Division of Land Resource Regulation, has an Environmental Specialist II vacancy in Bangor.*

**BRIEF JOB DESCRIPTION:** This position is responsible for:

- Arranging and meeting applicants and their representatives in pre-application and pre-submission meetings to provide regulatory guidance;
- Reviewing and evaluating applications and writing Department decisions under the Natural Resources Protection Act, Site Location of Development Law, and Stormwater Law, within statutory time limits;
- Becoming proficient in knowledge of the NRPA, Site, and Stormwater Laws;
- Coordinating project reviews, meetings, and contacts with other Department staff, state, federal, and municipal officials, applicants, and consultants;
- Conducting site visits, field determinations, complaint response, and compliance inspections as necessary;
- On-call.

For questions regarding the position, please call Jim Beyer, 446-9026.

**MINIMUM QUALIFICATIONS:** A Bachelors Degree from an accredited educational institution which includes 15 credit hours of science or engineering courses -OR- a four (4) year combination of education and experience in an environmental science or related area. Preference will be given to candidates with skills and/or experience in:

- Experience/knowledge of land use statutes, including but not limited to, the Site Location of Development Law, Natural Resources Protection Law, Stormwater Law, wind energy Act, and other similar state/federal statutes or municipal ordinances.
- Experience with or knowledge of the techniques involved in the identification of natural resources such as wetlands, streams or wildlife habitats.
- Experience managing the review of environmental license applications with federal, state or local authorities.
- GIS/other computer skills dealing with environmental resources.

**APPLICATION INFORMATION:** This is a competitive position. This posting is not intended to allow time for employees not already on the register to be tested, scored and placed on the register. DEP employees interested in transferring as an ES II must send a resume and memo/email requesting an interview to Thomas Cotnoir (thomas.j.cotnoir@maine.gov), Natural Resources Service Center, SHS #155, Augusta, ME 04333 by the closing date of this posting. Please call Thomas Cotnoir at 287-5046 if you have any questions.
