CERTIFICATION AND AUTHORIZATION

I certify that the above described activities will be completed in accordance with the permit requirements and applicable standards of the Commission. I have in my possession a copy of the above-referenced Building Permit including any amendments. I authorize the staff of the Maine Land Use Regulation Commission and its authorized representatives to access the project site for the purpose of determining compliance with the rules and requirements of the Commission. I understand that activities carried out in violation of any permit condition or standard of the Commission are subject to enforcement action. Activities within 100 feet of a waterbody are not authorized by this permit.

Signature of Applicant(s): Shane Lane Date: 9/27/04

APPROVAL: Based upon the information supplied by the applicant, the staff concludes that, if carried out in compliance with the attached conditions, the proposal will meet the Criteria for Approval, 12 MRSA Section 685-B(4) of the Commission's statutes.

CONDITIONS: All conditions in the original permit still apply, except as modified by this permit amendment. The Standard Conditions (ver. 10/90), a copy of which is attached, apply to this permit amendment. All applicable requirements of the Commission's Land Use Districts and Standards, particularly Section 10.27,A,2 (clearing), Section 10.27,L,6 (filling & grading), and Section 10.26,B (setbacks and lot size) are in effect in conducting the permitted activity(ies). Copies of these Sections are attached to this amendment.

SEWAGE DISPOSAL SYSTEM: Before installation of sewage disposal system, you must obtain a plumbing permit from the Local Plumbing Inspector or the Division of Health Engineering. Prior to occupancy, the system must be located and installed according to the design specified by your site evaluator and submitted with your application. Within 30 days after installation you must submit to the Commission a copy of the Certificate of Inspection issued by the Local Plumbing Inspector or the Division of Health Engineering.

THIS PERMIT IS APPROVED ONLY UPON THE ABOVE STATED CONDITIONS AND REMAINS VALID ONLY IF THE PERMITTEE COMPLIES WITH ALL OF THESE CONDITIONS. ANY PERSON AGGRIEVED BY THIS DECISION OF THE STAFF, MAY, WITHIN 30 DAYS, REQUEST THAT THE COMMISSION REVIEW THE DECISION.
