Subject: RE: Significant Cultural / Historic Resources Information Request
Date: Monday, March 12, 2018 9:30:44 AM

Mr. Kelshaw,

We do not have an immediate concern with your project or project site, and do not currently have the resources to fully investigate same. Should any human remains, archaelogical properties or other items of historical importance be unearthed while working on this project, we recommend that you stop your project and report your findings to the appropriate authorities including the Houlton Band of Maliseet Indians.

Thank you.
