5. PROPRIETARY INFORMATION

5.1 Proprietary Information. Both parties acknowledge that, in the course of this Agreement each may obtain confidential or proprietary information of the other party ("**Proprietary Information**"). "Proprietary Information" will include, without limitation, (a) the existence of and terms of this Agreement, (b) trade secrets, know-how, inventions (whether or not patentable), techniques, processes, programs (whether in source code or object code form), ideas, algorithms, formulas, schematics, testing procedures, software design and architecture, computer code, documentation, design and functional specifications, product requirements, problem reports, performance information, software documents, hardware, devices, designs, drawings, unpublished patent applications, data, plans, strategies and forecasts, and (c) technical, engineering, manufacturing, product, marketing, servicing, financial, personnel and other information. Virtru's Proprietary Information shall, as between Customer and Virtru, belong solely to Virtru, and Customer's Proprietary Information shall, as between Customer and Virtru, belong solely to Customer.

5.2 Use and Disclosure Restrictions. Each party agrees (a) to protect the other party's Proprietary Information from unauthorized dissemination and use; (b) to use the other party's Proprietary Information only for the performance of this Agreement and the exercise of any rights under this Agreement; (c) not to disclose any Proprietary Information, or any part or parts thereof, to any of its employees, agents, contractors or any other individuals except to its employees who are under confidentiality obligations no less restrictive than the requirements of this Section 5; (d) with respect to Customer, not to disclose or otherwise provide to any third party, without the prior written consent of Virtru or as otherwise set forth in a separate written agreement between the parties hereto entered into after the date hereof, as applicable, any of Virtru's Proprietary Information, materials or any data or other information produced, obtained or created by Customer in connection with Customer's use of the Materials, including, without limitation, the existence of this Agreement and the existence and possible applications of the Materials; (e) to undertake whatever action is necessary (or authorize the other party to do so in the name of such party) to prevent or remedy any breach of such party's confidentiality obligations herein set forth or any other unauthorized disclosure of any Proprietary Information by its current or former employees, agents or contractors; and (f) not to remove or destroy any proprietary or confidential legends or markings placed upon or contained within the Proprietary Information provided to such party by the other party.

5.3 Exclusions. The foregoing restrictions on disclosure and use shall not apply with respect to any Proprietary Information that: (a) is or becomes publicly known through no act or omission of the other party; (b) was rightfully known by the receiving party without confidential or proprietary restriction before receipt from the other party, as evidenced by the receiving party's contemporaneous written records; (c) becomes rightfully known to the receiving party without confidential or proprietary restriction from a source other than the disclosing party that does not owe a duty of confidentiality with respect to such Proprietary Information; or (d) is independently developed without the use of the Proprietary Information as evidenced by the receiving party's written records. In addition, a party may use or disclose Proprietary Information to the extent (i) approved in writing by the other party and (ii) a party is legally compelled to disclose such Proprietary Information, provided, however, that prior to any such compelled disclosure, such party shall cooperate fully with the other party in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information. Further, each party may disclose the terms and conditions of this Agreement: (A) in confidence, to legal counsel; (B) in confidence, to accountants, banks, and financing sources and their advisors; and (C) in connection with the enforcement of this Agreement or any rights hereunder.

5.4 Equitable Relief. Each party agrees that, due to the unique nature of the other party's Proprietary Information, the unauthorized disclosure or use of the other party's Proprietary Information or any other breach of any provision of this Section 5 will cause irreparable harm and significant injury to the other party, the extent of which will be difficult to ascertain and for which there will be no adequate remedy at law. Accordingly, each party agrees that the other party, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief enjoining any breach or threatened breach of this Section 6 without the necessity of posting any bond or other security. Each party shall notify the other party in writing immediately upon becoming aware of any such breach or threatened breach.

9.1 Term. This Agreement shall commence on the Effective Date and, unless sooner terminated pursuant to the terms hereof, shall continue in full force and effect for one (1) year (the "**Initial Term**"). The provisions of Sections 2.2, 4.2, 5, 6, 7, 8, 9.3, and 10 shall survive the expiration or any termination of this Agreement. Termination of this Agreement by either party shall not act as a waiver of any breach of this Agreement and shall not act as a release of either party from any liability for breach of such party's obligations under this Agreement. Neither party shall be liable to the other for damages of any kind solely as a result of terminating this Agreement in accordance with its terms, and termination of this Agreement by a party shall be without prejudice to any other right or remedy of such party under this Agreement or applicable law.

Any legal suit, action or proceeding arising out of or relating to this Agreement shall be commenced in a federal court in the Eastern District of Virginia or in state courts with jurisdiction over Fairfax County, Virginia, and each party hereto irrevocably submits to the exclusive jurisdiction and venue of any such court in any such suit, action or proceeding.

You are solely responsible for any software, product or service that a third party licenses, sells or makes available to you that you install or use with the Service Offering. Your use of that software, product or service is governed by separate terms between you and that third party. We are not a party to and are not bound by any of those separate terms. You represent and warrant that Your Content does not and will not violate any third-party rights, including any Intellectual Property Rights, and rights of publicity and privacy. 5. Order, Delivery, Payment, and Taxes.

5.1 Generally. Sections 5.3 (Direct Orders), 5.4 (Delivery), 5.5 (Invoicing and Payment Terms) and 5.6 (Taxes) apply only to orders you place directly with, and the Service Offering you purchase directly from, VMware. When ordering through, or purchasing the Service Offering from, a VMware authorized reseller, the authorized reseller might specify similar terms.

5.2 Orders. All Orders issued to VMware are subject to the terms of this Agreement and are not binding until accepted by VMware. We are not required to provide any Service Offering to you until you provide all information we require for processing your Order.

5.3 Direct Orders. For orders placed directly with VMware, you must issue a purchase order to VMware for the initial Service Offering order, but a purchase order is not required for the monthly billings that occur after the initial Order billing. For subsequent billings, all fees (including subscription renewals, metered usage components, and other add-ons) will be paid in accordance with this Agreement. Your Order will be deemed accepted when we authorize the purchased Service Offering for your Login Credentials.

5.4 Delivery. When VMware accepts your Order for the Service Offering, we will deliver the corresponding Login Credentials to you by email to the address associated with your account. If VMware ships a physical object in connection with an add-on feature of the Service Offering, shipping and delivery terms are Ex Works VMware's regional fulfillment facility (INCOTERMS 2010).

5.5 Invoicing and Payment Terms. You will pay all fees for use of the Service Offering in the amount and currency specified in your invoice, within 30 days after the date of the invoice, and regardless of your usage level during a billing period. You will also be responsible for all additional fees for any subscription renewals and metered usage components consumed, and other subscriptions, features, products, services or add-ons that you purchase within the Service Offering. You will be billed in advance for the monthly or prepaid charges due to the subscription services purchased. Any metered usage components and any initial monthly fees will be billed in arrears. The applicable fees for subscriptions (including renewals), features and other available products and

services will be governed by the then-current applicable price list at the time the initial, renewal, or add-on order is submitted, or as otherwise agreed. We may increase or add new fees for the Service Offering by notifying you at least 30 days in advance.

5.6 Taxes. Service Offering fees are exclusive of taxes, and you shall pay or reimburse for all taxes arising out of transactions contemplated by this Agreement. If you are required to pay or withhold any tax for payments due under this Agreement, you shall gross your payments to us so we receive sums due in full and free of any deductions. You will provide documentation to us showing that taxes have been paid to the relevant taxing authority. " **Taxes**" means any sales, VAT, use, gross receipts, business and occupation, and other taxes (other than taxes on our income), export and import fees, customs duties and similar charges imposed by any government or other authority. You hereby confirm that we can rely on the name and address you provide to us when you agree to the Service Offering or in connection with your payment method as being the place of supply for sales tax and income tax purposes or as being the place of supply for VAT purposes where you have established your business.

6. Temporary Suspension.

6.1 Generally. Upon prior written notice to you, we may suspend your use of the Service Offering if we reasonably determine: (a) payment for the Service Offering is not received within 30 days from the date on which payment is due; (b) you or your use of the Service Offering is in breach of this Agreement; (c) you fail to address our request to take action as specified in Section 3.3; (d) your use of the Service Offering poses a security risk to the Service Offering or other users of the Service Offering; or (e) suspension is required pursuant to our receipt of a subpoena, court order, or other request by a law enforcement agency.

6.2 Effect of Suspension. You will remain responsible for all fees incurred before or during the suspension. You will not be entitled to any service credits under the Service Level Agreement that you might have otherwise accrued during the period of suspension.

7. Term and Termination.

7.1 Term of Agreement. This Agreement will be in effect through the Subscription Term, plus any renewals, unless terminated earlier as permitted under this Agreement or the Service Description. Upon the completion of the Subscription Term, the subscription will automatically renew as specified in the Service Description, unless terminated as permitted under the Service Description.

7.2 Termination for Cause. We may terminate this Agreement effective immediately upon sending you an email notice if: (a) you breach any provision in Sections 3.1 or 3.2; (b) you do not resolve the underlying cause resulting in a suspension of your account pursuant to Section 6.1 (other than suspension due to a subpoena, court order, or other request by a law enforcement agency) within 10 days after your account is suspended; or (c) you commit a material breach that cannot be cured.

7.3 Termination for Insolvency. We may terminate this Agreement effective immediately upon sending you an email notice if you: (a) terminate or suspend your business; (b) become insolvent, admit in writing your inability to pay your debts as they mature, make an assignment for the benefit of creditors; or (c) become subject to control of a trustee, receiver or similar authority or any bankruptcy or insolvency proceeding.

7.4 Effect of Termination. Upon the termination of this Agreement for any reason: (a) all rights granted to you under this Agreement, including your ability to access the Service Offering, will immediately terminate; and (b) you must promptly discontinue all use of the Service Offering and delete or destroy any of our Confidential Information. We will retain Your Content for a period of 30

DocuSign Envelope ID: 2AE53556-EF72-422B-A0EF-CBD5B82A925C

days following the effective date of the termination, although you will cease to have access to the Service Offering or Your Content during this period. After the 30 days, Your Content will be deleted. Sections 1.6 (Open Source Software), 3 (Acceptable Use) 4 (IP Ownership), 5 (Order, Delivery, Payment and Taxes), 7 (Term and Termination), 9 (Disclaimer), 11 (Limitation of Liability), 12 (Confidential Information), 13 (General), and 14 (Definitions), will survive the termination of this Agreement. Termination of the Service Offering (except to the extent that the termination is permitted under Section 13.3 of this Agreement or Section 3.6 of the Service Description) will not entitle you to any refunds, credits, or exchanges, and you will be liable for all monthly billing fees for the remainder of the Subscription Term after termination, as well as all usage and other fees incurred up to the termination date.

8. Support and Subscription Services. When applicable, and subject to the terms of this Agreement, we will provide to you support for the Service Offering in accordance with the terms specified in the Support Policy. We will not provide support to any end users of Your Content.

9. Disclaimer. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE AND OUR LICENSORS AND SERVICE PROVIDERS DISCLAIM ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE REGARDING OR RELATING TO THE SERVICE OFFERING OR ANY MATERIALS OR SERVICES FURNISHED OR PROVIDED TO YOU UNDER THIS AGREEMENT. WE AND OUR LICENSORS AND SERVICE PROVIDERS DO NOT WARRANT THAT THE SERVICE OFFERING WILL BE UNINTERRUPTED OR FREE FROM DEFECTS, OR THAT THE SERVICE OFFERING WILL MEET (OR IS DESIGNED TO MEET) YOUR BUSINESS REQUIREMENTS.

10. Indemnification.

10.1 Indemnification by Customer. You will defend and indemnify us against any third party claim arising from or relating to: (a) Your Content; (b) any infringement or misappropriation of any Intellectual Property Rights by you, your customers, your end users or your suppliers; (c) violation of law by you; (d) your use of the Service Offering (including any activities under your account and any use by your employees, personnel or end users) in violation of this Agreement, or (e) your use of any Third Party Content. We will (a) provide you with notice of the claim within a reasonable period of time after learning of the claim; and (b) reasonably cooperate in response to your requests for assistance. You may not settle or compromise any indemnified claim without our prior written consent.

10.2 Defense and Indemnification. Subject to the remainder of this Section 10, we will defend you against an Infringement Claim and indemnify you from the resulting costs and damages finally awarded against you to that third party by a court of competent jurisdiction or agreed to in settlement. You will (a) provide us with notice of any Infringement Claim within a reasonable period of time after learning of it; (b) allow us sole control over the claim's defense and settlement; and (c) reasonably cooperate in response to our requests for assistance. You may not settle or compromise any Infringement Claim without our prior written consent.

10.3 Remedies. If the Service Offering becomes, or in our opinion is likely to become, the subject of an Infringement Claim, we will at our option and expense either: (a) procure the rights necessary for you to keep using the Service Offering; (b) modify or replace the Service Offering to make it non-infringing; or (c) terminate this Agreement and refund any pre-paid fees for the Service Offering pro-rated for its remaining Subscription Term.

10.4 Exclusions. We will have no obligation under this Section 10 or otherwise with respect to any

claim based on: (a) a combination of VMware Software with non-VMware products or content, including Your Content; (b) use of the Service Offering for a purpose or in a manner not specified in this Agreement or the Service Description; (c) any modification to the Service Offering made without our express written approval; or (d) any Service Offering provided on a no charge basis. This Section 10 states your exclusive remedy for any infringement actions or claims.

11. Limitation of Liability.

11.1 Generally. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL WE OR OUR LICENSORS OR SERVICE PROVIDERS BE LIABLE FOR ANY LOST PROFITS OR BUSINESS OPPORTUNITIES, LOSS OF USE OF THE SERVICE OFFERING, LOSS OF REVENUE, LOSS OF GOODWILL, BUSINESS INTERRUPTION, LOSS OF DATA, OR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, OR OTHERWISE. IN ADDITION, OUR AND OUR LICENSORS' AND SERVICE PROVIDERS' LIABILITY UNDER THIS AGREEMENT WILL NOT, IN ANY EVENT, REGARDLESS OF WHETHER THE CLAIM IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, EXCEED THE GREATER OF: (A) THE AGGREGATE FEES PAID OR PAYABLE TO US FOR YOUR ACCESS TO AND USE OF THE SERVICE OFFERING IN THE TWELVE (12) MONTHS PRIOR TO THE EVENT GIVING RISE TO YOUR CLAIM, OR (B) $5,000 USD (OR THE EQUIVALENT IN LOCAL CURRENCY). REGARDLESS OF WHETHER WE OR OUR LICENSORS OR SERVICE PROVIDERS HAVE BEEN ADVISED OF THE POSSIBILITY OF THOSE DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE. THESE LIMITATIONS OF LIABILITY IN THIS SECTION 11.1 WILL NOT APPLY TO (A) VMWARE'S INDEMNIFICATION OBLIGATIONS UNDER THIS AGREEMENT OR (B) ANY LIABILITY WHICH MAY NOT BE EXCLUDED BY APPLICABLE LAW.

11.2 Further Limitations. Our licensors and service providers will have no liability of any kind under this Agreement. You may not bring a claim under this Agreement more than eighteen (18) months after the cause of action arises.

12. Confidential Information.

12.1 Protection. A party may use Confidential Information of the other party solely to exercise its rights and perform its obligations under this Agreement or as otherwise permitted under this Agreement. Each party will disclose the Confidential Information of the other party only to the employees, service providers or contractors of the recipient party who have a need to know the Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than each party's duty hereunder. Each party will use reasonable care to protect the confidentiality of the other party's Confidential Information.

12.2 Exceptions. The recipient's obligations under Section 12.1 with respect to any Confidential Information will terminate if the recipient can show by written records that the information: (a) was already known to the recipient at the time of disclosure by the other party; (b) was disclosed to the recipient by a third party who had the right to make the disclosure without any confidentiality restrictions; (c) is, or through no fault of the recipient has become, generally available to the public; or (d) was independently developed by the recipient without access to, or use of, discloser's Confidential Information. The recipient may disclose Confidential Information to the extent the disclosure is required by law or regulation. The recipient will provide the other party notice, when practicable, and will take reasonable steps to contest and limit the scope of any required disclosure.

In that event, the termination will be effective as of the date we receive your notification, unless you state an effective date in your notification that is within 45 days after we receive your notification. In the event of that termination, we will refund any prepaid fees, pro-rated for the remainder of your Subscription Term, and less any discounts that would then not be earned. Your continued use of the Service Offering after the effective date of any modification to the Agreement, the Service Description, the Privacy Addendum, the Third Party Terms, the Service Level Agreement, or the Support Policy will be deemed acceptance of the modified terms, as applicable.

13.4 Waiver. The waiver of a breach of any provision of this Agreement will not constitute a waiver of any other provision or any later breach.

b. Upon the occurrence of an event of default, Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of 30 calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure shall not diminish or eliminate Contractor's liability for damages.

c. If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and Lead State shall have the right to exercise any or all of the following remedies:

(1) Exercise any remedy provided by law; and

Such causes may include, but are not restricted to, acts of nature or the public enemy, acts of the government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes and unusually severe weather, but in every case the failure to perform such must be beyond the reasonable control and without the fault or negligence of the party.

13. Indemnification and Limitation of Liability

a. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable, from and against claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, bodily injury, or damage to real or tangible property arising directly or indirectly from the negligent or wrongful act(s), error(s), or omission(s) of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to the performance under the Master Agreement.

b. Indemnification – Intellectual Property. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use, infringes Intellectual Property rights ("Intellectual Property Claim") of another person or entity.

(1) The Contractor's obligations under this section shall not extend to:

a. Any use of the Services provided hereunder not contemplated in the product documentation.

b. Any use of the Services provided hereunder in combination with other products not contemplated hereunder or in the documentation, any use of modification of the Services provided hereunder except as permitted by this Agreement.

(2) The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor and then only to the extent of the prejudice or expenses. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of it. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of it and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim. Unless otherwise agreed in writing, this section is not

subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

c. Except as otherwise set forth in the Indemnification Paragraphs above, the limit of liability shall be as follows:

(1) Contractor's liability for any claim, loss or liability arising out of, or connected with the Services provided, and whether based upon default, or other liability such as breach of contract, warranty, negligence, misrepresentation or otherwise, shall in no case exceed direct damages in:

(i) an amount equal to two (2) times the charges specified in the Purchase Order for the Services, or parts thereof forming the basis of the Purchasing Entity's claim, (said amount not to exceed a total of twelve (12) months charges payable under the applicable Purchase Order) or

(ii) two million dollars ($2,000,000), whichever is greater.

(2) The Purchasing Entity may retain such monies from any amount due Contractor as may be necessary to satisfy any claim for damages, costs and the like asserted against the Purchasing Entity unless Contractor at the time of the presentation of claim shall demonstrate to the Purchasing Entity's satisfaction that sufficient monies are set aside by the Contractor in the form of a bond or through insurance coverage to cover associated damages and other costs.

(3) Notwithstanding the above, neither the Contractor nor the Purchasing Entity shall be liable for any consequential, indirect or special damages of any kind which may result directly or indirectly from such performance, including, without limitation, damages resulting from loss of use or loss of profit by the Purchasing Entity, the Contractor, or by others.

d. The limitations of liability in Section 13(c) do not apply to claims for bodily injury or death as set forth in Section 13(a) or Intellectual Property Claims as set forth in Section 13(b).

14. Independent Contractor: The Contractor shall be an independent contractor. Contractor shall have no authorization, express or implied, to bind the Lead State, Participating States, other Participating Entities, or Purchasing Entities to any agreements, settlements, liability or understanding whatsoever, and agrees not to hold itself out as agent except as expressly set forth herein or as expressly agreed in any Participating Addendum.

15. including but not limited to, any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

18. No Waiver of Sovereign Immunity: In no event shall this Master Agreement, any Participating Addendum or any contract or any Purchase Order issued thereunder, or any act of a Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

This section applies to a claim brought against the Participating State only to the extent Congress has appropriately abrogated the Participating State's sovereign immunity and is not consent by the Participating State to be sued in federal court. This section is also not a waiver by the Participating State of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

19. Ordering

a. Master Agreement order and purchase order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

b. This Master Agreement permits Purchasing Entities to define project-specific requirements and informally compete the requirement among other firms having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to Purchasing Entity rules and policies. The Purchasing Entity may in its sole discretion determine which firms should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost and other factors considered.

c. Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

(6) A ceiling amount of the order for services being ordered; and
(7) The Master Agreement identifier and the Participating State contract identifier.

g. All communications concerning administration of Orders placed shall be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.

h. Orders must be placed pursuant to this Master Agreement prior to the termination date of this Master Agreement. Contractor is reminded that financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.

i. Notwithstanding the expiration or termination of this Master Agreement, Contractor agrees to perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration or termination of this Master Agreement. Orders from any separate indefinite quantity, task orders, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

33. Waiver of Breach: Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies shall not operate as a waiver under this Master Agreement or Participating Addendum. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order shall not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or Purchase Order.

34. Assignment of Antitrust Rights: Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided to the Contractor for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at a Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

36. Performance and Payment Time Frames that Exceed Contract Duration: All maintenance or other agreements for services entered into during the duration of an SLA and whose performance and payment time frames extend beyond the duration of this Master Agreement shall remain in effect for performance and payment purposes (limited to the time frame and services established per each written agreement). No new leases, maintenance or other agreements for services may be executed after the Master Agreement has expired. For the purposes of this section, renewals of maintenance, subscriptions, SaaS subscriptions and agreements, and other service agreements, shall not be considered as "new."

38. No Guarantee of Service Volumes: The Contractor acknowledges and agrees that the Lead State and NASPO ValuePoint makes no representation, warranty or condition as to the nature, timing, quality, quantity or volume of business for the Services or any other products and services that the Contractor may realize from this Master Agreement, or the compensation that may be earned by the Contractor by offering the Services. The Contractor acknowledges and agrees that it has conducted its own due diligence prior to entering into this Master Agreement as to all the foregoing matters.

39. NASPO ValuePoint eMarket Center: In July 2011, NASPO ValuePoint entered into a multi-year agreement with SciQuest, Inc. whereby SciQuest will provide certain electronic catalog hosting and management services to enable eligible NASPO

2. LICENSE, TERM, AND TERMINATION.

2.1 **Term.** Unless earlier terminated, this Agreement will be in effect for the subscription term identified in the applicable Order Confirmation (the "**Initial Term**"). You may renew a subscription for subsequent renewal subscription terms upon at least thirty (30) days' written notice to Case Commons prior to the end of the then-current subscription term, unless Case Commons has provided You with notice of non-renewal at least sixty (60) days prior to the end of the then-current subscription term; provided, however, that (i) additional or different provisions may apply to a renewal subscription, as mutually agreed by You and Case Commons, and (ii) if the [*insert Master Contract name*] between You and Case Commons (the "**Master Contract**") provides for a different approach for renewing Your subscription, You may renew Your subscription as set forth in the Master Contract (any such renewal subscription, a "**Renewal Term**"). Without limiting the foregoing, Case Commons may access, use, execute, reproduce, distribute, transmit, display, perform and make derivative works of, and otherwise modify, Your Data for analytic, statistical, security, quality control and similar purposes, provided that any such use of Your Data remains subject to the confidentiality obligations in Section 5 below, and provided further that Case Commons will not use any such Data in a manner in which You, Your Users, or any natural person, may be reasonably identifiable. Subject to the foregoing, Case Commons acquires no right, title or interest from You with respect to Your Data. In addition, if You or Your Users provide to Case Commons any ideas, proposals, suggestions or other materials ("**Feedback**"), whether related to the Services or otherwise, You authorize Case Commons to use such Feedback (including to incorporate such Feedback into the Services) during and after the Term. You acknowledge and agree that any such Feedback does not constitute Your Confidential Information or Your Data, that your provision of such Feedback is gratuitous, unsolicited and without restriction, and does not place Case Commons under any fiduciary or other obligation (including any obligation to use such Feedback).

2.8 Termination.

(a) You may terminate this Agreement as provided in the Master Contract. To the extent permitted by applicable law, if You are not a U.S. Government agency, department, or instrumentality, upon thirty (30) days' written notice, Case Commons may terminate this Agreement (and Your rights of access and use hereunder) in the event that You breach any provision of this Agreement and have not cured the breach during such thirty (30) day period. If You are a U.S. Government agency, department, or instrumentality, termination terms and conditions shall be governed by 48 C.F.R. 52.212-4 (l) and (m).

(b) Upon any expiration or termination of this Agreement (i) Your right to access and use the Services and all other rights granted to You hereunder will automatically terminate, and You agree to immediately cease accessing and using the Services; (ii) You will promptly return or destroy all copies of any documentation relating to the Services and any other Case Commons Confidential Information in Your possession or control; and (iii) You will pay all outstanding fees due under this Agreement in accordance with the Master Contract and applicable Order Confirmation. In the event of any expiration or termination of this Agreement, and except as otherwise expressly provided in this Agreement, Case Commons will have no obligation to refund any Subscription Fees, Support Fees, or other fees received from You during the Term. All provisions of this Agreement related to disclaimers of warranties, limitation of liability, remedies, damages, confidentiality and Case Commons' proprietary rights shall survive termination.

3. FEES, UPDATES, SERVICE LEVELS AND PROFESSIONAL SERVICES SUPPORT.

3.1 Subscription Fees. In order to access and use the Purchased Services, You are required to pay to Case Commons the Subscription Fees in accordance with Your Order Confirmation. 4.1 Performance Warranty. Subject to the terms and conditions of this Agreement, Case Commons warrants that the Purchased Services shall conform substantially to the then-current applicable Services specifications for ninety (90) days from the date of execution of this Agreement (the "**Warranty Period**"). If any Purchased Services (or any portion thereof) do not so conform, and You so notify Case Commons promptly within the Warranty Period, at Case Commons' option, Case Commons shall correct or provide a workaround for or replace the defective Services or refund the Subscription Fees paid for such Services. This Section 4.1 states Case Commons's sole obligation, and, with the exception of Your termination rights, Your sole and exclusive remedy, for any breach of the foregoing warranty. Case Commons makes no warranty that its Services shall work in combination with Your Data or any hardware or software products of third parties, that the operation of the Services shall be uninterrupted or error-free, or that all defects in the Services shall be corrected.

4.2 Warranty Disclaimer. EXCEPT AS SET FORTH IN SECTION 4.1(A) ABOVE, CASE COMMONS DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN CONNECTION WITH THIS AGREEMENT AND THE SERVICES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, QUIET ENJOYMENT AND WARRANTIES ARISING OUT OF COURSE OF DEALING OR USAGE OF TRADE. YOU ACKNOWLEDGE THAT CASE COMMONS DOES NOT CONTROL THE TRANSFER OF DATA OVER COMMUNICATIONS FACILITIES, INCLUDING THE INTERNET, AND THAT THE SERVICES MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF SUCH COMMUNICATIONS FACILITIES. CASE COMMONS IS NOT RESPONSIBLE FOR ANY DELAYS, ERRORS, OR OTHER DAMAGES RESULTING FROM SUCH PROBLEMS. YOU AGREE THAT, AS BETWEEN YOU AND CASE COMMONS, YOU ARE RESPONSIBLE FOR THE ACCURACY AND QUALITY OF YOUR DATA INPUT INTO THE SERVICES, AND CASE COMMONS IS NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORMANCE, OPERATION OR SECURITY OF THE SERVICES THAT ARISE FROM YOUR DATA. FURTHERMORE, THE WARRANTIES SET FORTH ABOVE SHALL NOT APPLY TO: (A) ANY THIRD PARTY SERVICES, SOFTWARE OR HARDWARE, WHETHER OR NOT SUCH THIRD PARTY SERVICES, SOFTWARE OR HARDWARE IS PROVIDED BY CASE COMMONS; (B) ANY SERVICES THAT HAVE BEEN MODIFIED, REPAIRED OR ALTERED, EXCEPT BY CASE COMMONS; (C) ANY SERVICES WHICH HAVE NOT BEEN ACCESSED AND USED IN ACCORDANCE WITH ANY INSTRUCTIONS SUPPLIED BY CASE COMMONS; OR (D) ANY SERVICES THAT HAVE BEEN SUBJECTED TO MISUSE, ABUSE, NEGLIGENCE OR ACCIDENTS. CASE COMMONS SHALL NOT BE RESPONSIBLE FOR ANY OF YOUR DATA PURSUANT TO ANY WARRANTY UNDER THIS AGREEMENT OR OTHERWISE.

4.3 Limitation of Liability. TO THE EXTENT PERMITTED BY APPLICABLE LAW, CASE COMMONS' TOTAL CUMULATIVE LIABILITY TO YOU IN CONNECTION WITH THIS AGREEMENT AND THE SERVICES, FROM ALL CAUSES OF ACTION AND ALL THEORIES OF LIABILITY, WILL BE LIMITED TO AND WILL NOT EXCEED TWELVE (12) TIMES THE AVERAGE MONTHLY AMOUNTS PAID BY YOU TO CASE COMMONS UNDER THIS AGREEMENT. IN NO EVENT SHALL CASE COMMONS BE LIABLE FOR ANY UNAUTHORIZED ACCESS TO OR ALTERATION, THEFT OR DESTRUCTION OF YOUR DATA IN CONNECTION WITH YOUR ACCESS TO OR USE OF THE SERVICES, EXCEPT TO THE EXTENT RESULTING DIRECTLY FROM CASE COMMONS' MATERIAL FAILURE TO COMPLY WITH THIS AGREEMENT OR TO IMPLEMENT AND MAINTAIN INDUSTRY-STANDARD SECURITY MEASURES THROUGHOUT THE TERM OF THIS AGREEMENT. IN NO EVENT WILL CASE COMMONS BE LIABLE TO YOU FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES (INCLUDING LOSS OF USE, DATA, OR PROFITS, BUSINESS INTERRUPTION, OR COSTS OF PROCURING SUBSTITUTE SOFTWARE OR SERVICES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE USE OR PERFORMANCE OF THE SERVICES, WHETHER SUCH LIABILITY ARISES FROM CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE, AND WHETHER OR NOT CASE COMMONS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE. THE PARTIES HAVE AGREED THAT THESE LIMITATIONS WILL SURVIVE AND APPLY EVEN IF ANY REMEDY IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. WITHOUT LIMITING THE FOREGOING, CASE

COMMONS WILL HAVE NO LIABILITY OR RESPONSIBILITY FOR ANY BUSINESS INTERRUPTION OR LOSS OF DATA ARISING FROM THE SUSPENSION OR TERMINATION OF THE RIGHTS GRANTED HEREIN AND ANY ASSOCIATED CESSATION OF YOUR ACCESS TO AND USE OF THE SERVICES, OR FOR ANY HARM OR DAMAGES CAUSED BY ANY THIRD-PARTY HOSTING PROVIDER USED BY CASE COMMONS IN CONNECTION WITH THE SERVICES. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATION OR EXCLUSION OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU. The foregoing exclusion/limitation of liability shall not apply to (a) personal injury or death resulting from Case Commons' gross negligence; (b) Case Commons' fraud; (c) any other matter for which liability cannot be excluded by law; or (d) as applicable, express remedies provided under any FAR, GSAR or Schedule 70 solicitation clauses incorporated into the GSA Schedule 70 contract.

4.4 Indemnity.

The foregoing indemnity obligation shall not extend to any claims of misappropriation or infringement arising out of or related to: (a) modification of the Services by anyone other than Case Commons; (b) combination of the Services (including any access to or use thereof) with any third party software, hardware or materials where such combination is the cause of such misappropriation or infringement; (c) use of the Services other than in accordance with this Agreement; or (d) Your Data. THIS SECTION 4.4 SETS FORTH CASE COMMONS' SOLE AND EXCLUSIVE LIABILITY AND YOUR SOLE AND EXCLUSIVE REMEDIES FOR ANY CLAIM THAT THE SERVICES, OR YOUR ACCESS TO OR USE THEREOF, INFRINGES OR MISAPPROPRIATES ANY THIRD PARTY INTELLECTUAL PROPERTY RIGHTS OF ANY KIND. In the event of any claim which Case Commons is obligated to indemnify You from hereunder, Case Commons shall have control of the defense and all related settlement negotiations to the extent permitted by applicable law, and You shall reasonably cooperate with Case Commons in the defense and/or settlement thereof at Case Commons' expense to the extent permitted by applicable law; provided that You may participate in such defense using Your own counsel, at Your own expense.

(b) You will defend, indemnify and hold Case Commons harmless from and against any loss, damage, liability or cost (including reasonable attorneys' fees) resulting from any third party claim in connection with Your use of the Services, including (i) any third party claim that Your Data or Your use of the Services other than in accordance with this Agreement, misappropriates or infringes any third-party intellectual property or other proprietary right (including any rights of publicity or privacy), and (ii) any violation of law by You in connection with Your use of the Services; provided that the indemnity under this Section 4.4(b) shall not apply to any third-party claim which Case Commons is obligated to indemnify You from under Section 4.4(a); and provided further that this Section 4.4(b) shall not apply to the extent that applicable law prohibits You from indemnifying Case Commons as provided in this Section 4.4(b). In the event of any claim which You are obligated to indemnify Case Commons from hereunder, You shall have control of the defense and all related settlement negotiations to the extent permitted by applicable law, and Case Commons shall reasonably cooperate with You in the defense and/or settlement thereof at Your expense to the extent permitted by applicable law; provided that Case Commons may participate in such defense using Case Commons' own counsel, at Case Commons' own expense.

5. CONFIDENTIALITY.

5.1 Confidential Information. "**Confidential Information**" means (a) with respect to Case Commons, the Services and any Case Commons: (i) information that is marked in writing by Case Commons as "confidential" or "proprietary" at the time of disclosure, (ii) information that, if disclosed orally or in other intangible form, is identified as confidential at the time of such disclosure, and (iii) information that, due to its nature or under the circumstances of its disclosure, You know or have reason to know should be treated as confidential or proprietary; and (b) with respect to You: (i) Your Data; and (ii) information that is marked in writing by You or Your Users as "confidential" or "proprietary" at the time of disclosure.

5.2 Exclusions. Confidential Information does not include information that: (a) is or becomes generally known to the public through no fault or breach of this Agreement by the receiving party or any of its Representatives (as defined below); (b) is rightfully known by the receiving party or its Representatives at the time of disclosure without an obligation of confidentiality, as evidenced by the receiving party's contemporaneous written records; (c)

is independently developed or acquired by the receiving party or its Representatives without use of the disclosing party's Confidential Information; (d) is rightfully received by the receiving party or its Representatives from a third party without restriction on use or disclosure; or (e) is disclosed with the prior written approval of the disclosing party.

5.3 Use and Disclosure Restrictions. Neither party will use the other party's Confidential Information except as necessary for the performance or enforcement of this Agreement, and neither party will disclose such Confidential Information except to those of its and its affiliates' employees, consultants, accountants, auditors, attorneys, contractors, subcontractors and service providers providing services to such party (collectively, the "**Representatives**") who have a bona fide need to know such Confidential Information for the performance or enforcement of this Agreement; provided that each such Representative is bound by confidentiality obligations consistent with the terms set forth in this Section. Each party will employ all reasonable steps to protect the other party's Confidential Information from unauthorized use or disclosure, including, but not limited to, all steps that it takes to protect its own information of like importance. The foregoing obligations will not restrict either party from disclosing the other party's Confidential Information: (a) pursuant to the order or requirement of a court, administrative agency, or other governmental body or law, provided that the party required to make such a disclosure, to the extent permissible under the circumstances, (i) gives reasonable notice to the other party to contest such order or requirement, and (ii) only furnishes that portion of the Confidential Information that it reasonably determines, in consultation with its counsel, is legally required to be disclosed, and to exercise all commercially reasonable efforts to obtain assurance that confidential treatment will be accorded to the Confidential Information it discloses; (b) to its legal or financial advisors; (c) as required under applicable securities regulations; and (d) subject to customary restrictions, to present or future providers of venture capital and/or potential private investors in or acquirers of such party. Notwithstanding anything to the contrary herein, nothing in this Section 5 permits any Representative that is not a User to access or use the Services. The receiving party is responsible for the compliance of its Representatives with this this Agreement, and any act or omission of any Representative that would be a breach of this Agreement if made by the receiving party will be deemed to be a breach of this Agreement by the receiving party.

6.2 Force Majeure. Neither party will be responsible for any failure or delay in its performance under this Agreement (except for the payment of money) due to causes beyond its reasonable control, including, but not limited to, any electrical, internet, or telecommunication outage that is not caused by the obligated party; any failure or delay caused by a third-party hosting provider; Internet service provider failure or delay; denial of service attacks; labor disputes, strikes, or lockouts; acts of war or terror; riots; acts of God; and governmental actions (each, a "**Force Majeure Event**").

6.3 Severability. All rights and remedies, whether conferred hereunder or by any other instrument or law, will be cumulative and may be exercised singularly or concurrently to the extent permitted by law. Failure or a delay by either Case Commons or You to enforce any term will not be deemed a waiver of future enforcement of that or any other term. the remaining terms and conditions of this Agreement shall not be affected, and if necessary, the valid and enforceable provisions(s) shall be negotiated and substituted therefor to accomplish the intent of the severed provisions(s) as nearly as practicable.

6.4 Export. You agree to comply fully with all relevant export laws and regulations of the United States ("**Export Laws**") to ensure that the Services are not (a) exported or re-exported directly or indirectly in violation of Export Laws; or (b) used or intended to be used for any purposes prohibited by the Export Laws, including but not limited to nuclear, chemical, or biological weapons proliferation.

6.5 Government End User Rights. You acknowledge that no part of the Services were first produced in the performance of a U.S. Government contract. You agree that all Services are "commercial items" as defined in 48 C.F.R. § 2.101, and if You are a U.S. Government agency, department or instrumentality or if You are providing all or any part of the Services to the U.S. Government (or any agency, department or instrumentality of the U.S. Government), such use, duplication, reproduction, release, modification, disclosure or transfer of this commercial product and data, is restricted in accordance with 48 C.F.R. § 12.211, 48 C.F.R. § 12.212, 48 C.F.R. § 227.7102-2, and 48 C.F.R. § 227.7202, as applicable. Consistent with 48 C.F.R. § 12.211, 48 C.F.R. § 12.212, 48 C.F.R. § 227.7102-1 through 48 C.F.R. § 227.7102-3, and 48 C.F.R. §§ 227.7202-1 through 227.7202-4, as applicable, the Services are made available to U.S. Government end users (a) only as Commercial Items, and (b) with only those rights as are granted to all other users pursuant to this Agreement and any related agreement(s), as applicable. Accordingly, You will have no rights in the Services except as expressly agreed to in writing by You and Case Commons.

6.6 Choice of Law and Disputes. If the U.S. Government (or any agency, department or instrumentality of the U.S. Government) is not a party to this Agreement, this Agreement shall be governed by and construed in accordance with the laws of the State of New York, U.S.A., without giving effect to its principles of conflict of law, and regardless of Your location, and You agree to exclusive jurisdiction of the federal and state courts located in the County of New York, State of New York, U.S.A., and waive any jurisdictional, venue or inconvenient forum objections to such courts. If the U.S. Government (or any agency, department or instrumentality of the U.S. Government) is a party to this Agreement, this Agreement shall be governed by and interpreted in accordance with the Contract Disputes Act of 1978, as amended (41 U.S.C. 7101-7109), and failure of the parties to reach agreement on any request for equitable adjustment, claim, appeal, or action arising under or relating to this Agreement shall be a dispute to be resolved in accordance with the clause at 48 C.F.R. § 52.233-1, which is incorporated in this Agreement by reference.

6.7 Miscellaneous. If any portion of this Agreement is found to be void or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect. Neither party may assign this Agreement, in whole or in part, without the other party's prior written consent, except that Case Commons may assign this Agreement, in whole or in part, (a) in connection with an internal reorganization or a sale of all or substantially all of Case Commons' business with which this Agreement is associated (whether by acquisition, merger, reorganization, consolidation or similar transaction) without Your prior written consent, and (b) in any manner in accordance with applicable law (such as in accordance with 48 C.F.R. § 42.12 or the Assignment of Claims Act (31 U.S.C. § 3727)). Any attempt to assign this Agreement other than as permitted above will be null and void. This Agreement is intended for the sole and exclusive benefit of the parties and is not intended to benefit any third party. Only the parties to this Agreement may enforce it. This Agreement (including the Attachments hereto and any Order Confirmations), together with the Master Contract (if applicable) and, if You are a U.S. Government agency, department, or instrumentality, the underlying GSA Schedule Contract, the Schedule Price List and any applicable GSA Customer Purchase Orders, constitute the complete and exclusive understanding and agreement between the parties regarding their subject matter and supersede all prior or contemporaneous agreements or understandings, written or oral, relating to their subject matter. Any waiver, modification or amendment of any provision of this Agreement will be effective only if in writing and signed by duly authorized representatives of both parties.

SERVICE LEVEL AGREEMENT

1. DEFINITIONS

1.1. "**Availability**" means the ability of the Services in a production environment to be ready for Users to access. Availability will be 99%, excluding unavailability of the Services during Scheduled Maintenance or Emergency Maintenance Downtime, or resulting from a User-Generated Error or Force Majeure Event.

1.2. "**Business Day**" means each of Monday, Tuesday, Wednesday, Thursday, and Friday, but not including (a) weekend days of Saturday and Sunday, (b) U.S. Federal holidays, and (c) state holidays recognized by Case Commons or by You.

1.3. "**Business Hour**" means 8am to 6pm U.S. Eastern Time during a Business Day.

1.4. "**Defect**" means a problem within the Case Commons applications in a production environment and accessed through the Services, and/or a problem within those portions of software integrations in a production environment within Case Commons' control, that causes incorrect or unexpected results, where (in each case) such problem is a result of Case Commons' failure to perform its obligations under the Agreement, but (in each case) excluding any unavailability of the Services during Downtime, Scheduled Maintenance or Emergency Maintenance Downtime, or resulting from a User-Generated Error or Force Majeure Event. There are two (2) types of Defects: Major Defects and Minor Defects, each as defined below.

1.5. "**Downtime**" means unanticipated unavailability of the Services as a whole in a production environment for any period of time greater than five (5) continuous minutes when 5% or more of Users on Supported Browsers cannot access the Services as a whole in a production environment due to a technical error, outage or other problem, where such problem is a result of Case Commons' failure to perform its obligations under the Agreement, but excluding unavailability of the Services during Scheduled Maintenance or Emergency Maintenance Downtime, or resulting from a User-Generated Error or Force Majeure Event.

1.6. "**Emergency Maintenance Downtime**" is unscheduled downtime where Case Commons can address identified issues such as emergency fixes or security risks. Case Commons will, to the extent practicable given the nature and severity of the issue (as determined by Case Commons in its discretion), use commercially reasonable efforts to give reasonable prior notice (including via email) of Emergency Maintenance Downtime to Your technical contacts.

1.7. "**Help Desk**" means Your designated help desk for the Services, which will be operated by, and consist of, Your designated staff.

1.8. "**Incident**" means a Severity Level A, B, or C Incident, each as further described in Table 1 below.

1.9. "**Incident Report**" means a request to the Help Desk for resolution of an Incident or other issue.

1.10. "**Incident Resolution**" means a code fix, patch, or other modification or addition that resolves an Incident. Incident Resolution occurs once a code fix, patch, or other modification or addition that resolves an Incident has been created and tested as acceptable by Case Commons and is ready to be deployed or otherwise implemented.

1.11. "**Major Defect**" means a Defect which results in Users on Supported Browsers not being able to use the Services in one or more material respects to (a) do their day-to-day work requiring use of the Services, (b) generate Your legally-mandated State and Federal compliance reports, and/or (c) submit information to the federal government as required by applicable law or regulation.

DocuSign Envelope ID: 2AE53556-EF72-422B-A0EF-CBD5B82A925C

1.12. "**Minor Defect**" means any Defect that does not constitute a Major Defect (such as, e.g., a design or other cosmetic, content or formatting problem).

1.13. "**Scheduled Maintenance**" means occasional maintenance to add resources, upgrade software, install security patches and perform other maintenance activities. Scheduled Maintenance should occur at a standard mutually agreed upon time.

1.14. "**Service Levels**" means those service levels set forth in Table 1 below.

1.15. "**Supported Browsers**" means those browser type and versions that are compatible with the Services, as identified by Case Commons from time-to-time (including via email, in the documentation and/or on Case Commons' website).

1.16. "**User-Generated Error**" means (a) modifications to the Services not made by Case Commons or a party expressly authorized by Case Commons to make such modifications; (b) use of the Services other than as authorized in the Agreement or as provided in Case Commons' documentation for the Services; or (c) any unavailability of the Services, or any part thereof, resulting from Your or Your affiliated entities' or any User's acts or omissions.

2. LEVEL 1 AND LEVEL 2 SUPPORT

2.1. You shall create, staff, and operate both the Level 1 and Level 2 Help Desks (each as defined below), and follow the procedures herein before raising any Incident or other issue to the Level 3 Help Desk (as defined below). The "**Level 1 Help Desk**" will be responsible for initial assessment of each Incident Report, including password resets, training, connectivity issues, hardware and/or software issues, and functionality developed by Your technical staff. In all circumstances, Incident Reports will initially come in to the Level 1 Help Desk. The "**Level 2 Help Desk**" will be responsible for assessment of all tickets raised to the Level 2 Help Desk by the Level 1 Help Desk, and for all hardware, software, and network connectivity required to support the Services and all modules, interfaces, middleware, and data owned by You or otherwise not supplied by Case Commons.

2.2. The Level 1 and Level 2 Help Desks will (a) use a ticketing system to log the number, type and resolution status of each Incident and other issue identified in an Incident Report, (b) attempt to resolve each such Incident and other issue prior to raising any Incident or other issue to the Level 2 or Level 3 Help Desks (as applicable and as further described below), and (c) record within the ticketing system a description of any actions taken to reproduce and/or remedy each such Incident or other issue.

2.3. Only if Your technical staff reasonably determines that an Incident or other issue cannot be remedied by either the Level 1 or the Level 2 Help Desk, the Level 1 or Level 2 Help Desk (as applicable) has verified that the Incident or other issue can be replicated, and You have otherwise complied with the ticketing requirements set forth in Section 3.2(a) below, the Level 1 or Level 2 Help Desk (as applicable) will open a trouble ticket using Case Commons' web-based ticketing system (each, a "**Trouble Ticket**") to escalate the Incident or other issue to the Case Commons Level 3 Help Desk (the "**Level 3 Help Desk**").

3. LEVEL 3 SUPPORT

3.1. Technical Contacts. Case Commons is responsible for assessment of all Incidents and other issues appropriately raised to Case Commons by the Level 1 and Level 2 Help Desks in accordance with the procedures described in Section 2 above. You shall promptly log all such Incidents and other issues via Case Commons' web-based ticketing system as described in Section 3.2(a) below. You will be able to reach a Case Commons technical contact 24/7/365 in case of Downtime. You will designate a sufficient number of technical contacts, as mutually agreed upon between the parties, who are authorized to propose a severity level on behalf of You on a 24/7/365 basis and who will be able to escalate to Your management as needed (as further described in Section 3.2(b) below). Your technical contacts will be available (a) on a 24x7x365 basis to answer Case Commons' questions and provide additional detail regarding Severity Level A Incidents (as defined below); and (b) on a 10x5 basis (8am to 6pm U.S. Eastern Time, Business Days) to answer Case Commons' questions and provide additional detail regarding all other Incidents and issues.

3.2. Incident Management.

(a) *Trouble Ticketing.* Prior to opening a Trouble Ticket in Case Commons' web-based ticketing system, You will make best efforts to have:

(i) a detailed description of the Incident Report;

(ii) a detailed description of any actions taken to produce and/or remedy each Incident or other issue identified in the Incident Report; and

(iii) a proposed severity level classification based upon the severity level definitions set forth herein.

(b) *Severity Level Classification.* You may propose a severity level in your Trouble Ticket based on the definitions set forth herein. Upon receipt of a Trouble Ticket, Case Commons may review and reclassify the severity level of each Incident or other issue identified therein in accordance with the definitions set forth herein. If Your technical contact and Case Commons' technical contact disagree on the severity level, all parties will treat the Incident or other issue as if it were the higher severity level until You and Case Commons' leadership make a joint final determination.

(c) *Temporary Remedies / Workarounds.* If Case Commons implements an agreed-upon temporary remedy or workaround, then the severity level of the incident will be reduced accordingly.

Table 1

Severity Level	Description	Service Level*	Remedy
A	Critical Incident: Downtime is experienced.	Case Commons will respond to Trouble Tickets within 15 minutes (during Business Hours) and one hour (during non-Business Hours). Case Commons will achieve Incident Resolution for Severity Level A Incidents within four hours from Case Commons' initial response. Within one hour of Case Commons' initial response, Case Commons will contact Your technical contact to discuss the status of the efforts, progress and anticipated resolution that will allow the effected Services to be restored to an active and functioning state. If not resolved within four hours of Case Commons' initial response, the Remedy will be invoked.	See paragraph immediately below this table

DocuSign Envelope ID: 2AE53556-EF72-422B-A0EF-CBD5B82A925C

Severity Level	Description	Service Level*	Remedy
B	High Impact Incident: A Major Defect occurs.	Case Commons will respond to Trouble Tickets within two hours from receipt during Business Hours. Case Commons will target Incident Resolution for Severity Level B Incidents within eight Business Hours from receipt of a Trouble Ticket. Case Commons will keep Your technical contacts informed of actual efforts taken and progress made upon resolution or at the end of the eight Business Hours. If not resolved within the foregoing timeframe, the Remedy will be invoked.	See paragraph immediately below this table
C	Non-Critical Issues: A Minor Defect occurs.	Case Commons will respond to Trouble Tickets within one Business Day from receipt. Case Commons will resolve such issues in a manner determined by Case Commons, with input from You. Case Commons will endeavor to address these issues in a commercially reasonable timeframe.	See paragraph immediately below this table

* The response and resolution times set forth in Table 1 above shall be tolled in the event of Scheduled Maintenance or Emergency Maintenance Downtime, such that the applicable Trouble Ticket shall be deemed received in the first Business Hour following the end of any such Scheduled Maintenance or Emergency Maintenance Downtime period.

(d) *Service Level Failure Remedy.* If Case Commons fails to meet the resolution times set forth above four (4) or more times in any given calendar month, You shall be entitled to a credit against future invoices under this Agreement in the amount of [$(To Be Negotiated)] per failure in that calendar month (each such credit, a "**Service Level Credit**"). To the extent any Service Level Credits have been incurred in a given calendar month as provided herein, Case Commons shall deduct the applicable amounts from the Subscription Fees owed to Case Commons under the Agreement, or, in the alternative and at Case Commons' discretion, issue a refund to You in the amount of any such Service Level Credits. Notwithstanding the foregoing or anything to the contrary herein, in no event shall the total amount of Service Level Credits credited to You with respect to all Service Level failures occurring in a single calendar month exceed, in total, five percent (5%) of the monthly invoice amount for Subscription Fees for such calendar month. This paragraph states Case Common's sole obligation, and, with the exception of Your termination rights, Your sole and exclusive remedy, for any failure by Case Commons to comply with its obligations under this SLA.

(e) Notwithstanding the foregoing or anything else to the contrary in the Agreement, Case Commons shall be excused from any failure to comply with its obligations under this SLA, and any such failure shall be disregarded for purposes of calculating Service Level Credits, if such failure is caused by any of the following:

DocuSign Envelope ID: 2AE53556-EF72-422B-A0EF-CBD5B82A925C

(i) Your breach of the Agreement;

(ii) a User-Generated Error;

(iii) a Force Majeure Event;

(iv) Scheduled Maintenance; or

(v) Emergency Maintenance Downtime.

3.3. Key SLA Features

(a) 24x7 support for Severity Level A Incidents;

(b) 10x5 support for all other Incidents (8am to 6pm U.S. Eastern Time, Business Days) (remotely by phone or email);

(c) Scheduled Maintenance will occur outside of 10x5 support hours on a regular schedule to be jointly agreed upon; and

(d) Emergency Maintenance can occur outside of the agreed-to Scheduled Maintenance windows.

Notwithstanding the foregoing or anything else to the contrary in the Agreement, Case Commons will have no obligation of any kind to provide Incident Resolution or other support for any Incidents or other issues regarding the Services caused by a User-Generated Error. If Case Commons determines that it is necessary to provide Incident Resolution or other support for an Incident or other issue caused by a User-Generated Error, Case Commons will notify You thereof as soon as Case Commons is aware of such User-Generated Error and Case Commons will have the right to invoice You at Case Commons' then-current time and materials rates for any such Incident Resolution or other support provided by Case Commons.

ATTACHMENT B

PROFESSIONAL SUPPORT SERVICES TERMS AND CONDITIONS

1. GENERAL

1.1 Support. You may elect to purchase additional Support for the Purchased Services by selecting a Service Tier (as defined below) in Your Order Confirmation and, subject to Your payment of the applicable Support Fees, Case Commons will provide the level of Support identified in Your Order Confirmation in accordance with the Support descriptions set forth in this Attachment B. Support includes software development and other technical support services that are outside of the scope of the SLA support included in Your Subscription Fees. Notwithstanding the foregoing or anything in the Agreement to the contrary, any Support that would require a material change to, or that would be incompatible with, a core component, core module or core feature of the Services (as determined by Case Commons in its reasonable discretion), shall only be performed by Case Commons upon mutual written agreement of the parties and may be subject to additional fees.

1.2 Support Fees. Support Fees will be due and payable to Case Commons in accordance with the Master Contract and Your Order Confirmation. Support Fees will be non-refundable once paid.

1.3 Service Tiers. Support is available pursuant to one of the following service tiers (each, a "**Service Tier**")

(a) Bronze Annual Support Package: This package includes 800 hours of Support per month at a cost of [$•] per year, or [$•] per month.

(b) Silver Annual Support Package: This package includes 1600 hours of Support per month at a cost of [$•] per year, or [$•] per month.

(c) Gold Annual Support Package: This package includes 2,000 hours of Support per month at a cost of [$•] per year, or [$•] per month.

(d) Platinum Annual Support Package: This package includes 2,750 hours of Support per month at a cost of [$•] per year, or [$•] per month.

1.4 Termination; Changes. You may terminate Support under a Service Tier as provided in the Master Contract. Subject to the remainder of this Section 1.4, You may increase or decrease the level of Service Tier selected in Your Order Confirmation upon ninety (90) days' prior written notice to Case Commons, email notice being sufficient, and effective on the first day of the applicable calendar month following such ninety (90) day notice period. You may increase or decrease the level of Service Tier by up to one (1) Service Tier at a time (e.g., You may decrease from the platinum level to the gold level, but not from the platinum level to the silver level), provided that You may not increase or decrease the level of Service Tier more than two (2) times in any calendar year.

1.5 Support Management. You are responsible for defining, prioritizing and verifying performance and acceptability of Support performed under a Service Tier, for ensuring that there is enough authorized work recorded in the Tracking Tool (as defined below) for Case Commons to work on throughout the month, based on the number of monthly hours associated with the Service Tier that is in effect at the time. Case Commons is responsible for allocating Service Tier hours among appropriately qualified Case Commons personnel. Provided that You included a sufficient amount of authorized and well-defined Support work in the Tracking Tool in a given calendar month during the Term, Service Tier hours that have not been used at the end of that month as a result of Case Commons' failure to make available sufficient Support personnel will roll over to the following month during the Term (if any). Except as provided in the immediately preceding sentence, Service Tier hours that have not been used at the end of a calendar month will expire and will not roll over to the following month.

1.6 Project Management Software Tracking Tool. The parties shall utilize a project management software tracking tool to be designated by Case Commons (the "**Tracking Tool**") with respect to all Support performed by Case Commons for You under a Service Tier. This allows the parties to track the progress of Support performed by Case Commons under the applicable Service Tier. Case Commons shall use commercially reasonable efforts to complete specific Support projects requested by You under a Service Tier in a commercially reasonable timeframe. Notwithstanding the foregoing or anything to the contrary herein, Case Commons does not guarantee

completion of any particular Support project within a particular number of hours, range of hours, or other timeframe, unless agreed upon in writing between the parties.

2. WORK PRODUCT

2.1 If, during the course of providing Support under a Service Tier, Case Commons develops for You any modifications to the Case Commons software accessed and used in connection with the Services, and subject to the terms and conditions of the Agreement (including Section 2.6 of the Agreement), You own all right, title, and interest in and to the software code developed by Case Commons for any such modifications (such software code, the "**Customer-Owned Work Product**"). Subject to the terms and conditions of this Agreement (including Your payment of the Support Fees), Case Commons hereby assigns to You all of Case Commons' right, title and interest in and to such Customer-Owned Work Product, together with all of Case Commons' copyright and patent rights therein and thereto.

2.2 You hereby grant to Case Commons a perpetual, irrevocable, non-exclusive, fully paid-up, royalty free, transferable, sublicensable (through multiple tiers), worldwide right and license to access, use, execute, reproduce, distribute, transmit, display, perform (whether publicly or otherwise), prepare derivative works of, and otherwise modify, make, have made, import, sell, offer to sell, and otherwise use and exploit all or any portion of the Customer-Owned Work Product (in any form or media now known or later developed, including object code form and source code form) in connection with the use and other exploitation of the Services and otherwise in connection with Case Commons' business, including the granting of sublicenses to such Customer-Owned Work Product to other customers.

2.3 For clarity, with the exception of Customer-Owned Work Product, Case Commons and/or its licensors own all right, title, and interest in and to all designs, software, technology, data, documents, materials and information created or otherwise provided by or on behalf of Case Commons to You in connection with Support (collectively, "**Work Product**"), together with all intellectual property rights therein and thereto. Subject to Your payment of the Support Fees, Case Commons hereby grants to You a limited, non-exclusive right and license to access and use the Work Product solely in connection with your authorized use of the Services during the Term, with the right to sublicense to Your Users.

Customer has entered into a certain written agreement (the "Agreement"), including the applicable Product Passthrough Terms, pursuant to which Customer is entitled to access and use the Product: G Suite. This HIPAA Business Associate Addendum ("HIPAA BAA") is effective as of the date of the Product Passthrough Terms for the purpose of implementing the requirements of HIPAA (defined below) to support the compliance requirements thereunder. Together with the Product Passthrough Terms, this HIPAA BAA will be applicable to Protected Health Information (defined below).

1. **Definitions.** For purposes of this HIPAA BAA, any capitalized terms not otherwise defined herein will have the meaning given to them in the Product Passthrough Terms 6and under HIPAA.

   "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the rules and the regulations thereunder, as amended (including with respect to the HITECH Act).

   "HIPAA Implementation Guide" means the informational guide that Google makes available describing how Customer can configure and use the Services to support HIPAA compliance. The HIPAA Implementation Guide is available for review at the following URL: https://static.googleusercontent.com/media/www.google.com/en/us/work/apps/terms/2015/1/hipaa_implementation_guide.pdf (as the content at such URL and the URL itself may be updated or modified from time to time).

   "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act enacted in the United States Congress, which is Title XIII of the American Recovery & Reinvestment Act, and the regulations thereunder, as amended.

   "Included Functionality" means functionality within the Product as described at the following URL: www.google.com/work/apps/terms/2015/1/hipaa_functionality.html (as the content at that URL, or such other URL as may be provided, may be updated from time to time).

   "Product" means only the G Suite Core Services that Provider makes available to Customer under the applicable Product Passthrough Terms as further described at the following URL: http://www.google.com/apps/intl/en-in/terms/user_features.html (as the content at such URL and the URL itself may be updated or modified from time to time).

   "Protected Health Information" or "PHI" will have the meaning given to it under HIPAA to if provided as Customer Data in connection with Customer's permitted use of Included Functionality.

   "Provider" means the third party provider of the Product.

   "Security Rule" means 45 C.F.R., Part 164, Subpart C, under HIPAA.

2. **Applicability.**

   2.1. Parties. This HIPAA BAA applies to the extent Customer is acting as a Covered Entity or Business Associate, to create, receive, maintain or transmit PHI via the Included Functionality and where Provider, as a result, is deemed under HIPAA to be acting as a Business Associate of Customer.

   2.2. Services Scope. This HIPAA BAA is applicable only to the Included Functionality. The scope of Included Functionality may expand. If the scope of Included Functionality expands, then this HIPAA BAA will automatically apply to such additional new functionality and features as of the date the Included Functionality description is updated, or the date Provider has otherwise provided written communication regarding an update to the scope of Included Functionality to Customer's Notification Email Address (whichever date is earlier).

3. **Permitted Use and Disclosure.**

   3.1. By Provider. Provider may use and disclose PHI only as permitted under HIPAA as specified in the Product Passthrough Terms and under this HIPAA BAA. Provider may also use and disclose PHI for the proper management and administration of Provider's business, for provisioning the Product, and to carry out the legal responsibilities of Provider, provided that any disclosure of PHI for such purpose may

DocuSign Envelope ID: 2AE53556-EF72-422B-A0EF-CBD5B82A925C

only occur if: (1) required by applicable law; or (2) Provider obtains written reasonable assurances from the person to whom PHI will be disclosed that it will be held in confidence, used only for the purpose for which it was disclosed, and that Provider will be notified of any Breach.

3.2. By Customer. Customer will not request Provider or the Product to use or disclose PHI in any manner that would not be permissible under HIPAA if done by a Covered Entity itself (unless otherwise expressly permitted under HIPAA for a Business Associate). In connection with Customer's management and administration of the Product to End Users, Customer is responsible for using the available controls within the Product to support its HIPAA compliance requirements, including reviewing the HIPAA Implementation Guide and enforcing appropriate controls to support Customer's HIPAA compliance. Customer will not use the Product to create, receive, maintain or transmit PHI to other products or services outside of the Included Functionality, except where Customer has expressly entered into a separate HIPAA business associate agreement for use of such other products or services. If Customer uses Included Functionality in connection with PHI, Customer will use controls available within the Product to ensure: (i) all other products or services not part of the Product are disabled for all End Users who use Included Functionality in connection with PHI (except those products or services where Customer already has an appropriate HIPAA business associate agreement in place); and (ii) it takes appropriate measures to limit its use of PHI in the Product to the minimum extent necessary for Customer to carry out its authorized use of such PHI. Customer agrees that Provider has no obligation to protect PHI under this HIPAA BAA to the extent Customer creates, receives, maintains, or transmits such PHI outside of the Included Functionality (including Customer's use of its offline or on-premise storage tools or third party applications).

4. **Appropriate Safeguards**. The Product is subject to appropriate safeguards designed to prevent against unauthorized use or disclosure of PHI, consistent with this HIPAA BAA, and as otherwise required under the Security Rule, with respect to the Included Functionality. Customer will use appropriate safeguards designed to prevent against unauthorized use or disclosure of PHI, consistent with this HIPAA BAA, and as otherwise required under the Security Rule, with respect to the Included Functionality.

5. **Reporting**. Customer will be promptly notify following the discovery of a Breach resulting in the unauthorized use or disclosure of PHI in violation of this HIPAA BAA in the most expedient time possible under the circumstances, consistent with the legitimate needs of applicable law enforcement and applicable laws, and after taking any measures necessary to determine the scope of the Breach and to restore the reasonable integrity of the Services system by using commercially reasonable efforts to mitigate any further harmful effects to the extent practicable. Customer will receive any applicable Breach notifications via the Notification Email Address (as such contact is designated in the Product by Customer) or via direct communication with the Customer. For clarity, Customer and not Provider, is responsible for managing whether its End Users are authorized to create, receive, maintain or transmit PHI within the Product and Provider does not have any obligations relating thereto. This Section 5 will be deemed as notice to Customer that Provider periodically receives unsuccessful attempts for unauthorized access, use, disclosure, modification or destruction of information or interference with the general operation of Provider's information systems and the Services and even if such events are defined as a Security Incident under HIPAA, Customer will not receive any further notice regarding such unsuccessful attempts.

6. **Agents and Subcontractors**. As related to the Product, appropriate measures are taken to ensure that any agents and subcontractors used by Provider to perform its obligations related to the provision of the Product that require access to PHI on behalf of Provider are bound by written obligations that provide the same material level of protection for PHI as this HIPAA BAA. To the extent Provider uses agents and subcontractors in its performance of obligations hereunder, Provider will remain responsible for their performance as if performed by Provider itself under the Product Passthrough Terms.

7. **Accounting Rights**. PHI will be made available to Customer via the Product so Customer may fulfill its obligation to give individuals their rights of access, amendment, and accounting in accordance with the requirements under HIPAA. Customer is responsible for managing its use of the Product to appropriately respond to such individual requests.

8. **Access to Records**. To the extent required by law, and subject to applicable attorney client privileges, Provider will make its internal practices, books, and records concerning the use and disclosure of PHI received from Customer, or created or received by Provider on behalf of Customer, available to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for the purpose of the Secretary determining compliance with this HIPAA BAA.

9. **Return/Destruction of Information**. Upon termination of the Product Passthrough Terms or the Agreement, all PHI received from Customer, or created or received by Provider on behalf of Customer, which is still maintained in accordance with the section titled "Effects of Termination" (or as otherwise expressly agreed in writing) under the Product Passthrough Terms will be returned or destroyed; provided, however, that if such return or destruction is not feasible, the protections of this HIPAA BAA will extent to the PHI not returned or destroyed and limit further uses and disclosures to those purposes that make the return or destruction of the PHI infeasible. In the event this HIPAA BAA is terminated earlier than the the Product Passthrough Terms or Agreement Customer may continue to use the Product in accordance with the the Product Passthrough Terms, but must delete any PHI it maintains in the Product and cease to create, receive, maintain or transmit such PHI to Provider or within the Product.

10. **Breach/Cure**. Customer may immediately terminate this HIPAA BAA and the Product Passthrough Terms upon 10 days written notice if Provider has materially breached this HIPAA BAA and such breach is not reasonably capable of being cured.

11. **Term**. This HIPAA BAA will expire upon the earlier of: (i) a permitted termination in accordance with this HIPAA BAA; (ii) the natural expiration or termination of the Product Passthrough Terms; (iii) the natural expiration or termination of the existing Agreement; or (iv) the execution of an updated HIPAA BAA that supersedes this HIPAA BAA.

12. **Interpretation**. It is the parties' intent that any ambiguity under this HIPAA BAA be interpreted consistently with the intent to comply with applicable laws.

13. **Effect of Addendum**. This HIPAA BAA supersedes in its entirety any pre-existing HIPAA BAA executed by the parties covering the same Product. To the extent of any conflict or inconsistency between the terms of this HIPAA BAA and the Product Passthrough Terms or the Agreement, the terms of this HIPAA BAA will govern. Except as expressly modified or amended under this HIPAA BAA, the terms of the Passthrough Terms and the Agreement remain in full force and effect.

5.4. Staffing, Designated Contact and Cooperation. Acquia shall have sole discretion in staffing the Services and may use Authorized Contractors to assist in the delivery of the Professional Services, provided that Acquia shall remain liable for the actions or omissions of such Authorized Contractors. Each party will designate in each SOW an individual who will be the primary point of contact between the parties for all matters relating to the Professional Services to be performed thereunder. Customer will cooperate with Acquia, will provide Acquia with accurate and complete information, will provide Acquia with such assistance and access as Acquia may reasonably request, and will fulfill its responsibilities as set forth in this Agreement and the applicable SOW. If Acquia personnel are required to be present on a Customer site, Customer will provide adequate workspace and may provide reasonable worksite safety and security rules to which such personnel are to conform.

6. FEES AND PAYMENT

6.1. Fees. Customer shall pay all fees specified in each Order Form and SOW. Except as otherwise specified herein or in an Order Form or SOW, (i) fees are quoted and payable in United States dollars, (ii) fees are based on Services purchased, regardless of usage, (iii) payment obligations are non-cancelable and fees paid are non-refundable, (iv) all Services shall be deemed accepted upon delivery, and (v) the Subscription Services purchased cannot be decreased during the relevant Subscription Term. Customer shall reimburse Acquia for out-of-pocket expenses incurred by Acquia in connection with its performance of Services. Acquia will provide Customer with reasonably detailed invoices for such expenses. All amounts payable under this Agreement will be made without setoff or counterclaim, and without any deduction or withholding.

6.2. Invoicing and Payment. All fees for Subscription Services will be invoiced in advance and, unless otherwise set forth in an SOW, all fees and expenses for Professional Services will be invoiced monthly in arrears on a time and materials basis. Except as otherwise stated in the applicable Order Form or SOW, Customer agrees to pay all invoiced amounts within thirty (30) days of invoice date.

6.3. Overdue Charges. If Acquia does not receive fees by the due date, then, at Acquia's discretion, such fees may accrue late interest at the rate of 1.5% of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid.

6.4. Payment Disputes. Acquia agrees that it will not exercise its rights under Section 6.3 (Overdue Charges) if Customer is disputing the applicable charges reasonably and in good faith and is cooperating diligently to resolve the dispute.

6.5. Taxes. Fees for Services exclude all sales, value added and other taxes and duties imposed with respect to the sale, delivery, or use of any product or Services covered hereby. Customer is responsible for payment of all taxes, levies, duties, assessments, including but not limited to value-added, sales, use or withholding taxes, assessed or collected by any governmental body (collectively, "**Taxes**") arising from Acquia's provision of the Services hereunder, except any taxes assessed on Acquia's net income. If Acquia is required to directly pay or collect Taxes related to Customer's use or receipt of the Services hereunder, Customer agrees to promptly reimburse Acquia for any amounts paid by Acquia.

7. PROPRIETARY RIGHTS

7.1. Subscription Services. Acquia, its licensors and its service providers own all right, title and interest in and to the Subscription Services, including all related intellectual property rights. Acquia reserves all rights in and to the Subscription Services not expressly granted to Customer under this Agreement. Customer will not delete or in any manner alter the copyright, trademark, and other proprietary notices of Acquia.

7.2. Customer Data and Customer Applications. To enable Acquia to provide Customer with the Subscription Services, Customer hereby grants Acquia, its Affiliates and sublicensees (including Authorized Contractors whose technologies and services interface with the Subscription Services that include the Customer Data and Customer Applications) a worldwide, royalty-free, non-exclusive, limited term license to use, process, store, display and transmit Customer Data and Customer Applications solely as necessary for Acquia to provide the Services in accordance with this Agreement. Subject to the limited licenses granted herein, Acquia acquires no right, title or interest from Customer or Customer licensors hereunder in or to Customer Data and Customer Applications, including any intellectual property rights therein.

7.3. Deliverables. Excluding any property that constitutes Outside Property, any Deliverables shall be the sole property of Customer upon Customer's payment in full of all associated Professional Services fees. Acquia shall execute and, at Customer's written request, require its personnel to execute any document that may be necessary or desirable to establish or perfect Customer's rights to the ownership of such Deliverables. For purposes of this Agreement, "Outside Property" means any and all technology and information, methodologies, data, designs, ideas, concepts, know-how, techniques, user-interfaces, templates, documentation, software, hardware, modules, development tools and other tangible or intangible technical material or information that Acquia possesses or owns prior to the commencement of Professional Services or which it develops independent of any activities governed by this Agreement, and any derivatives, modifications or enhancements made to any such property. Outside Property shall also include any enhancements, modifications or derivatives made by Acquia to the Outside Property while performing Professional Services hereunder, and any software, modules, routines or algorithms which are developed by Acquia during the term in providing the Professional Services to Customer, provided such software, modules, routines or algorithms have general application to work performed by Acquia for its other customers and do not include any content that is specific to Customer or which, directly or indirectly, incorporate or disclose Customer's Confidential Information.

7.4 Outside Property License. To the extent that Acquia incorporates any Outside Property into any Deliverables, then Acquia hereby grants Customer a limited, royalty-free, non-exclusive, non-transferable (subject to Section 14.11) license to use such Outside Property delivered to Customer solely as necessary for and in conjunction with Customer's use of the Deliverables.

8. CONFIDENTIALITY

8.1. Definition of Confidential Information. "**Confidential Information**" means all confidential or proprietary information of a party ("**Disclosing Party**") disclosed to the other party ("**Receiving Party**"), whether orally or in writing, that is designated as confidential or reasonably should be understood to be confidential given the nature of information and the circumstances of disclosure. Without limiting the coverage of these confidentiality obligations, the parties acknowledge and agree that Confidential Information of each party shall include the terms and conditions of this Agreement (including pricing and other terms set forth in all Order Forms and/or SOWs hereunder), related benchmark or similar test results, other technology and technical information, security information, security audit reports, and business and marketing plans, except that Acquia may reference and use Customer's name, logos and the nature of the Services provided hereunder in Acquia's business development and marketing efforts.

8.2. Exceptions. Confidential Information shall not include information that (i) is or becomes publicly available without a breach of any obligation owed to the Disclosing Party, (ii) is already known to the Receiving Party at the time of its disclosure by the Disclosing Party, without a breach of any obligation owed to the Disclosing Party, (iii) following its disclosure to the Receiving Party, is received by the Receiving Party from a third party without breach of any obligation owed to Disclosing Party, or (iv) is independently developed by Receiving Party without reference to or use of the Disclosing Party's Confidential Information.

8.3. Protection of Confidential Information. The Receiving Party shall use the same degree of care used to protect the confidentiality of its own

DocuSign Envelope ID: 2AE53556-EF72-422B-A0EF-CBD5B82A925C

Confidential Information of like kind (but in no event less than reasonable care), and, except with Disclosing Party's written consent, shall (i) not use any Confidential Information of Disclosing Party for any purpose outside the scope of this Agreement and (ii) limit access to Confidential Information of Disclosing Party to those of its and its Affiliates' employees, contractors and agents who need such access for purposes consistent with this Agreement and who have a duty or obligation of confidentiality no less stringent than that set forth herein.

8.4. Compelled Disclosure. The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent required by applicable law, regulation or legal process, provided that the Receiving Party (i) provides prompt written notice to the extent legally permitted, (ii) provides reasonable assistance, at Disclosing Party's cost, in the event the Disclosing Party wishes to oppose the disclosure, and (iii) limits disclosure to that required by law, regulation or legal process.

9. REPRESENTATIONS, WARRANTIES AND DISCLAIMERS

9.1. Acquia Representations & Warranties. Acquia represents and warrants that (i) Acquia has the legal authority to enter into this Agreement, (ii) the Subscription Services will materially conform with the relevant Documentation, (iii) the functionality and security of the Subscription Services will not be materially decreased during a Subscription Term, and (iv) Professional Services will be performed in a competent and workmanlike manner consistent with generally accepted industry standards.

9.2. Remedies. For any failure of any Subscription Services or Professional Services, as applicable, to conform to their respective warranties, Acquia's liability and Customer's sole and exclusive remedy shall be for Acquia, in the case of a breach of the warranty set forth in Section 9.1 (ii), (iii), and/or (iv), to use commercially reasonable efforts to correct such failure; or, in the case of a breach of the warranty set forth in Section 9.1 (iv) to re perform the affected Professional Services. If the foregoing remedies are not commercially practicable, Acquia may, in its sole discretion, terminate the applicable Order Form or SOW upon providing Customer with written notice thereof, and, as Customer's sole and exclusive remedy, refund to Customer: (a) in the case of breach of the warranty set forth in Section 9.1(ii), any Subscription Services fees paid by Customer with respect to the unexpired portion of the current Subscription Term for the non-conforming Subscription Services; or (b) in the case of breach of the warranty set forth in Section 9.1(iv), any fees paid by Customer for the portion of Professional Services giving rise to the breach.

9.3. Customer Representations & Warranties. Customer represents and warrants that (i) it has the legal authority to enter into this Agreement, and (ii) it will use the Services in accordance with the terms and conditions set forth in this Agreement and in compliance with all applicable laws, rules and regulations.

9.4. Disclaimer. EXCEPT AS EXPRESSLY PROVIDED HEREIN, ACQUIA MAKES NO WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AND ACQUIA HEREBY DISCLAIMS ALL IMPLIED WARRANTIES AND CONDITIONS, INCLUDING, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, OR ANY WARRANTY WITH RESPECT TO THE QUALITY, PERFORMANCE, ACCURACY OR FUNCTIONALITY OF THE SERVICES OR THAT THE SERVICES ARE OR WILL BE ERROR FREE OR WILL ACCOMPLISH ANY PARTICULAR RESULT.

10. MUTUAL INDEMNIFICATION

10.1. Indemnification by Acquia. Acquia shall indemnify, defend and hold Customer harmless from and against any judgments, settlements, costs and fees reasonably incurred (including reasonable attorney's fees) resulting from any claim, demand, suit, or proceeding made or brought against Customer by a third party alleging that the use of the Subscription Services hereunder infringes or misappropriates the valid intellectual property rights of a third party (a "**Claim Against Customer**"); provided that Customer (a) promptly gives Acquia written notice of the Claim Against Customer; (b) gives Acquia sole control of the defense and settlement of the Claim Against Customer (provided that Acquia may not settle any Claim Against Customer unless the settlement unconditionally releases Customer of all liability); and (c) provides to Acquia all reasonable assistance, at Acquia's expense. In the event of a Claim Against Customer, or if Acquia reasonably believes the Subscription Services may infringe or misappropriate, Acquia may in Acquia's sole discretion and at no cost to Customer (i) modify the Subscription Services so that they no longer infringe or misappropriate, without breaching Acquia's warranties hereunder, (ii) obtain a license for Customer's continued use of Subscription Services in accordance with this Agreement, or (iii) terminate Customer's subscriptions for such Subscription Services and refund to Customer any prepaid fees covering the remainder of the term of such subscriptions after the effective date of termination. Notwithstanding the foregoing, Acquia shall have no obligation to indemnify, defend, or hold Customer harmless from any Claim Against Customer to the extent it arises from Customer Data or Customer Applications, use by Customer after notice by Acquia to discontinue use of all or a portion of the Subscription Services or Customer's breach of this Agreement.

10.2. Indemnification by Customer. Customer shall indemnify, defend and hold Acquia harmless from and against any judgments, settlements, costs and fees reasonably incurred (including reasonable attorney's fees) resulting from any claim, demand, suit or proceeding made or brought against Acquia by a third party alleging that Customer Data or Customer Applications infringes or misappropriates the intellectual property rights of a third party, violates applicable law or causes tortious harm to a third party (a "**Claim Against Acquia**"); provided that Acquia (a) promptly gives Customer written notice of the Claim Against Acquia; (b) gives Customer sole control of the defense and settlement of the Claim Against Acquia (provided that Customer may not settle any Claim Against Acquia unless the settlement unconditionally releases Acquia of all liability); and (c) provides to Customer all reasonable assistance, at Customer's expense.

10.3. Exclusive Remedy. This Section 10 states the indemnifying party's sole liability to, and the indemnified party's exclusive remedy against, the other party for any type of claim described in this Section.

11. LIMITATION OF LIABILITY

11.1. Limitation of Liability. OTHER THAN EACH PARTY'S OBLIGATIONS SET FORTH IN SECTION 10 (MUTUAL INDEMNIFICATION), NEITHER PARTY'S TOTAL AGGREGATE LIABILITY RELATING TO THIS AGREEMENT (WHETHER IN CONTRACT OR TORT OR UNDER ANY OTHER THEORY OF LIABILITY) SHALL EXCEED THE AMOUNT PAID OR PAYABLE BY CUSTOMER HEREUNDER IN THE 12 MONTHS PRECEDING THE APPLICABLE INCIDENT.

11.2. Exclusion of Consequential and Related Damages. NEITHER PARTY SHALL HAVE ANY LIABILITY TO THE OTHER PARTY FOR ANY LOST PROFITS OR REVENUES OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, COVER OR PUNITIVE DAMAGES HOWEVER CAUSED, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, AND WHETHER OR NOT THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING DISCLAIMER WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

12. TERM AND TERMINATION

12.1. Term of Agreement. This Agreement commences on the Effective Date and continues until otherwise terminated, by written agreement of the parties, in accordance with Section 12.3 or upon the expiration of the last Subscription Term or renewal thereof.

12.2. Term of Subscription Services. Subscription Services purchased by Customer commence on the start date specified in the applicable Order Form and continue for the subscription term specified therein (each, a "**Subscription Term**"). Except as otherwise specified in such Order Form, the Subscription Services shall automatically renew for successive one-year periods, unless and until terminated by either party in accordance herewith or either party provides written notice of non-renewal to the other party at

DocuSign Envelope ID: 2AE53556-EF72-422B-A0EF-CBD5B82A925C

least 30 days prior to the end of the then-current Subscription Term. Acquia may adjust the pricing applicable to any renewal of any then-current Subscription Term, by providing Customer with written notice thereof at least 30 days prior to the end of such term.

12.3. Termination for Cause. A party may terminate this Agreement (or, at such party's option, the individual Order Forms or SOWs affected by the applicable breach), for cause (i) upon 30 days written notice to the other party of a material breach if such breach remains uncured at the expiration of such same 30 day period, or (ii) automatically if the other party becomes the subject of a petition in bankruptcy or other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

12.4. Refund upon Termination. Upon termination for cause by Customer and upon Customer's written request, Acquia shall refund to Customer the prepaid fees covering the remainder of the applicable Subscription Term after the effective date of termination. Upon termination for cause by Acquia, Customer shall pay the unpaid fees covering the remainder of the Subscription Term of the Order Forms after the effective date of termination. In no event shall any termination relieve Customer of the obligation to pay all fees payable to Acquia for the period prior to the effective date of termination.

12.5. Data Portability and Deletion. Upon written request made by Customer within 30 days of termination or expiration of the Subscription Services, Acquia will make Customer Data and Customer Applications available to Customer for export or download as provided in the Documentation. At the end of such 30 day period, Acquia will delete or otherwise render inaccessible any Customer Data and Customer Applications, unless legally prohibited. Acquia has no obligation to retain the Customer Data for Customer purposes after this 30 day post termination period.

12.6. Survival. Section 7 (Proprietary Rights), 8 (Confidentiality), 9.4 (Disclaimer), 10 (Mutual Indemnification), 11 (Limitation of Liability), 12.4 (Refund upon Termination), 13 (Notices, Governing Law and Jurisdiction) and 14 (General Provisions) and any other rights and obligations of the parties hereunder that by their nature are reasonably intended to survive termination or expiration, shall survive any termination or expiration of this Agreement.

13. NOTICES, GOVERNING LAW AND JURISDICTION

13.1. Manner of Giving Notice. Except as otherwise specified in this Agreement, all notices, permissions and approvals hereunder shall be in writing and shall be deemed to have been given upon (i) personal delivery, (ii) the fifth business day after being sent by certified mail return receipt requested, or (iii) the first business day after sending by a generally recognized international guaranteed overnight delivery service. Each party shall send all notices, demands, requests or other communications which may be or are required to be given hereunder to the other party at the address set forth in the applicable Order Form or SOW, as such party may update such information from time to time, with, in the case of notices sent by Customer, a copy sent to the Acquia Legal Department at the address first set forth above.

13.2. Governing Law and Jurisdiction. If Customer is entering into this Agreement from a European Union member country, then this Agreement is governed by the laws of England and subject to the exclusive jurisdiction of the courts of England and Wales. If Customer is entering into this Agreement from Australia, then this Agreement is governed by the laws of New South Wales and subject to the exclusive jurisdiction of the courts of Sydney. Otherwise, this Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts, excluding its conflicts of law rules. Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought in the courts of record of the Commonwealth of Massachusetts in Suffolk County or the United States District Court, Eastern District of Massachusetts. Each party consents to the jurisdiction of such court in any such civil action or legal proceeding and waives any objection to the laying of venue of any such civil action or legal proceeding in such court. Notwithstanding the foregoing, the parties acknowledge that any unauthorized disclosure of Confidential Information or any actual or alleged infringement of such party's or third party's intellectual property rights might cause the other party to suffer irreparable harm for which damages would be an inadequate remedy and that, in such event, the aggrieved party may seek, in addition to any other available remedies, injunctive and other equitable relief in any state, federal, or national court of competent jurisdiction, without bond and without the necessity of showing actual monetary damages. The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act do not apply to the Agreement.

13.3. Waiver of Jury Trial. Each party hereby waives any right to jury trial in connection with any action or litigation in any way arising out of or related to this Agreement.

14. GENERAL PROVISIONS

14.1. Import and Export Compliance. Each party shall comply with all applicable import, re-import, export and re-export control laws, treaties, agreements, and regulations. Export controls may include, but are not limited to, those of the Export Administration Regulations of the U.S. Department of Commerce (EAR), the Department of State International Traffic in Arms Regulations (ITAR), and country-specific economic sanctions programs implemented by the Office of Foreign Assets Control (OFAC), which may restrict or require licenses for the export of Items from the United States and their re-export from other countries. Each party represents that it is not named on any U.S. government denied-party list. Customer shall not permit users to access or use Services in a U.S.-embargoed country or in violation of any U.S. export law or regulation.

14.2. Anti-Corruption. Neither party has received or been offered any illegal or improper bribe, kickback, payment, gift, or thing of value from any of the other party's employees or agents in connection with this Agreement. If a party learns of any violation of the above restriction, such party will use reasonable efforts to promptly notify the other party.

14.3. Federal Government End Use Provisions. If the Services are being or have been acquired with U.S. Federal Government funds, or Customer is an agency, department, or other entity of the United States Government ("Government"), the use, duplication, reproduction, release, modification, disclosure or transfer of the Services, or any related documentation of any kind, including technical data, manuals or Acquia Property is a "commercial item," as that term is defined in 48 C.F.R. 2.101 (Oct. 1995), consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212 (Sept. 1995), as applicable. Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4 (June 1995), all U.S. Government End Users acquire the software and Services with only those rights set forth in this Agreement and any amendment hereto.

14.4. Subscription Service Analyses. Acquia may (i) compile statistical and other information related to the performance, operation and use of the Subscription Services, and (ii) use, and share data from the Subscription Services environment in aggregated form for security and operations management, to create statistical analyses, and for research and development purposes (clauses i and ii are collectively referred to as "Subscription Service Analyses"). Subscription Service Analyses will not incorporate any information in a form that could serve to identify Customer or an individual. Acquia retains all intellectual property rights in Subscription Service Analyses.

14.5. Relationship of the Parties. The parties are independent contractors. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary or employment relationship between the parties.

14.6. Non-Solicitation. Customer agrees that during the term of each Order Form and/or SOW and for twelve (12) months thereafter, it will not recruit or otherwise solicit for employment any person employed by Acquia who

DocuSign Envelope ID: 2AE53556-EF72-422B-A0EF-CBD5B82A925C

participated in the performance of Services under the applicable Order Form and/or SOW. Nothing in this clause shall be construed to prohibit individual Acquia employees from responding to public employment advertisements, postings or job fairs of Customer, provided such response is not prompted by Customer intentionally circumventing the restrictions of this Section.

14.7. No Third-Party Beneficiaries. There are no third-party beneficiaries to this Agreement.

14.8. Waiver. No failure or delay by either party in exercising any right under this Agreement shall constitute a waiver of that right.

14.9. Force Majeure. Neither party shall be liable under this Agreement for delays, failures to perform, damages, losses or destruction, or malfunction of any equipment, or any consequence thereof, caused or occasioned by, or due to fire, earthquake, flood, water, the elements, labor disputes or shortages, utility curtailments, power failures, explosions, civil disturbances, governmental actions, shortages of equipment or supplies, unavailability of transportation, acts or omissions of third parties, or any other cause beyond its reasonable control. This Section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures or Customer's obligation to pay for the Services. If the force majeure event continues for more than thirty (30) calendar days, then either party may terminate the Agreement upon written notice to the other party.

14.10. Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, the provision shall be modified by the court and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this Agreement shall remain in effect.

14.11. Assignment. Neither party may assign its rights and obligations hereunder, either in whole or in part, whether by operation of law or otherwise, without the prior written consent of the other party. Notwithstanding the foregoing, either party may assign this Agreement in its entirety (including all Order Forms and SOWs), without consent of the other party, to its Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets not involving a direct competitor of the other party. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns.

14.12. Entire Agreement. This Agreement constitutes the entire agreement between the parties as it relates to the subject matter and supersedes all prior and contemporaneous agreements, proposals or representations, written or oral, concerning relating to the same. No modification, amendment, or waiver of any provision of this Agreement shall be effective unless in writing and signed by both parties with the exception that Acquia may, from time to time, modify the terms of the Guide in its sole discretion. To the extent of any conflict or inconsistency between the provisions of this Agreement, the Guide, any Order Form or SOW, the terms of such Order Form or SOW shall prevail. Notwithstanding any language to the contrary therein, no terms or conditions stated in a Customer purchase order or other order documentation (excluding Order Forms and/or SOWs) shall be incorporated into or form any part of this Agreement, and all such terms or conditions shall be null and void.

4.4 Disaster Recovery. Riskonnect protects its customers' data by running the Riskonnect Service on geographically dispersed data centers with extensive backup, data archive, and failover capabilities. Disaster recovery plan includes: (1) Data backup procedures that create multiple backup copies of customers' data, in near real time, at the disk level; and (2) A multi-level backup strategy that includes disk-to-disk-to-tape data backup in which tape backups serve as a secondary level of backup, not as the primary disaster-recovery data source. This disk-oriented model ensures maximum recovery speed with a minimum potential for data loss in the event of a disaster. Riskonnect maintains the right to amend this procedure from time to time to maintain industry best practices.

5. INTELLECTUAL PROPERTY OWNERSHIP

Riskonnect alone (and its Licensors, where applicable) shall own all right, title and interest, including all related Intellectual Property Rights, in and to the Riskonnect Service, the Content, the Software, the Riskonnect Technology and any suggestions, ideas, enhancement requests, feedback, recommendations or other information provided by You or any other party relating to the Riskonnect Service. Riskonnect's fees are exclusive of all taxes, levies, or duties imposed by taxing authorities, and You shall be responsible for payment of all such taxes, levies, or duties, excluding only United States (federal or state) taxes based solely on Riskonnect's income.

You agree to provide Riskonnect with complete and accurate billing and contact information, including Your legal company name, street address, e-mail address, and name and telephone number of an authorized billing contact and tax exemption certificate number, if applicable. You agree to update this information within thirty (30) days of any change to it. 7.5 **Suspension of Service & Acceleration**.

7.5.1 You will continue to be charged and accountable for User subscriptions during any period of suspension regardless of length of suspension. Riskonnect reserves the right to be compensated for any overhead (at actual cost) associated with Your suspension, such fees not to exceed $1,500, in addition to all fees in arrears accrued during the suspension period in the event You are suspended and thereafter request access to the Riskonnect Service.

7.6 **Effect of Termination**.

7.6.1 If You terminate for cause or if Riskonnect terminates for convenience, You will only be obligated to pay the amounts then due as calculated up to the date of termination and, if applicable, You will be reimbursed a prorated amount of unused, prepaid fees.

If Riskonnect terminates for cause or if You terminate for convenience, You agree there will be no refund of any fees prepaid by You and, if a balance is still due on Your account, then You agree that Riskonnect may bill You for such unpaid fees.

If You need to reasonably extend the Testing Period, the parties may mutually agree in writing to a new date for completion of testing by You. If You do not provide acceptance or rejection within the Testing Period, the applicable deliverable(s) shall be deemed to have been accepted. In the case of any rejection, You shall provide

Riskonnect reasonably detailed, written reasons for Your determination and Riskonnect shall use best efforts to correct critical errors (as determined by You) and use commercially reasonable efforts to correct all other errors reasonably requested by You and accepted by Riskonnect. 9.3 **Support.**

9.3.1 For the benefit of Your Users, Riskonnect shall provide the Riskonnect Service and Riskonnect's support services to You as set forth in **Exhibit C** (Uptime; Support Services & Upgrades) and You agree to pay for these Services as specified in the applicable SOW, Subscription Order, or PCO. If You exceed Your subscribed number of annual support hours in a given Subscription Term, then Riskonnect shall invoice You for those additional hours used at Riskonnect's current hourly rate, and You agree to pay in accordance with this Agreement.

9.3.2 **Data Transfer Protocols (DTPs).** Riskonnect may receive Your Data that may be sent from You or Your third parties in order to perform data interface services. Unless otherwise specified in writing, Riskonnect is responsible for the execution and verification of all implementation and ongoing data interfaces provided that the following DTPs are followed:

1. You shall be responsible for the delivery to Riskonnect of electronic files for data interfaces in generally accepted, standard, readable formats (e.g. CSV files or flat delimited files).
    a. In the case of a spreadsheet load, You will prepare Your Data in an acceptable import format, including combining data into one single tab, one row per record, and removing any formatting (subtotals and titles). In the event Your Data in an Excel load is not in an acceptable format, Riskonnect will utilize budgeted service hours, or if You don't have budgeted service hours You can execute an order for the service hours needed to correct formatting of Your Data.
    b. While Riskonnect's platform will enable You to improve the overall quality of Your Data, Riskonnect cannot be responsible for the quality of Your Data as it is presented to Riskonnect. Therefore, any work effort by Riskonnect on researching or cleaning up Your Data, consulting with You or Your data provider regarding data quality issues, or reloading Your Data due to its poor quality is billable to You outside of the scope of the applicable SOW/Addendum.
    c. Control totals must be provided, financial data must balance to control totals, and claims must balance to transactions; all data in a given file must be of the same evaluation date.
2. With guidance from Riskonnect, You are responsible for making all arrangements with third parties to secure data for data interfaces to be performed by Riskonnect, and You are responsible for any fees associated with the request in order for Your third party to perform the work. Riskonnect will not be responsible for third party costs in generating or transmitting Your Data from or to Your data providers (e.g.) third party administrators (TPAs);

Tables must be received as merged (denormalized) to provide a single flat file for each component (i.e., Claim, Claim Transactions, and/or Location Hierarchy. Tables must not contain duplicate unique keys, and related tables/files must have valid foreign keys. Table structures and field formats must remain consistent in subsequent submissions.
7. You shall ensure all data transmitted by You or on Your behalf to or from Riskonnect or the Riskonnect Service to be encrypted using PGP or encryption.
8. If You choose to transmit data, or authorize a third party to transmit data, to or from Riskonnect that contains personal information subject to protection under applicable laws and regulations in a manner that is not compliant with Riskonnect's DTPs as set forth herein and/or provided to You subsequent to the Agreement and attached hereto (herein the "Non-Compliant Data"), then You agree that:
    a. Riskonnect shall not be liable for and shall not be required to hold harmless, provide defense, or provide indemnification for any breach of Non-Compliant Data or for errors or omissions in the transmission of such Non-Compliant Data not caused by Riskonnect; and
    b. Riskonnect shall not be required to make such Non-Compliant Data any more secure or compliant with the applicable laws than the form in which such Non-Compliant Data is received by Riskonnect; provided that Riskonnect treats the Non-Compliant Data in the same way that it treats all Your Data.

Cloud Services Agreement

This Cloud Services Agreement (CSA) and applicable Attachments and Transaction Documents (TDs) are the complete agreement regarding transactions under this CSA (together, the "Agreement") under which Client may order Cloud Services. Attachments typically contain additional terms that apply to similar types of offerings. TDs, such as service descriptions, order documents or statements of work, contain specific details related to an order for a Cloud Service and there may be more than one TD providing the details of an order. In the event of conflict, an Attachment prevails over this CSA and a TD prevails over both the CSA and any Attachment.

1. Cloud Services

a. A Cloud Service is an IBM branded offering provided by IBM and made available via a network. Each Cloud Service is described in an Attachment or a TD. Cloud Services are designed to be available 24/7, subject to maintenance. Client will be notified of scheduled maintenance. Technical support and service level commitments, if applicable, are specified in an Attachment or TD.

b. Client accepts an Attachment or TD by ordering, enrolling, using, or making a payment for the Cloud Service. When IBM accepts Client's order, IBM provides Client the authorizations specified in the TD. The term, including any renewal term, for a Cloud Service is described in an Attachment or TD.

c. IBM will provide the facilities, personnel, equipment, software, and other resources necessary to provide the Cloud Services and generally available user guides and documentation to support Client's use of the Cloud Service. Client will provide hardware, software and connectivity to access and use the Cloud Service, including any required Client-specific URL addresses and associated certificates. An Attachment or TD may have additional Client responsibilities.

d. Client may access a Cloud Service only to the extent of authorizations acquired by Client. Client is responsible for use of Cloud Services by any user who accesses the Cloud Service with Client's account credentials. A Cloud Service may not be used in any jurisdiction for unlawful, obscene, offensive or fraudulent Content or activity, such as advocating or causing harm, interfering with or violating the integrity or security of a network or system, evading filters, sending unsolicited, abusive, or deceptive messages, viruses or harmful code, or violating third party rights. If there is a complaint or notice of violation, use may be suspended until resolved, and terminated if not resolved promptly. Client may not i) resell direct access to a Cloud Service to a third party outside Client's Enterprise; or ii) combine Cloud Services with Client's value add to create a commercially available Client branded solution for which Client charges a fee.

2. Content and Data Protection

a. Content consists of all data, software, and information that Client or its authorized users provides, authorizes access to, or inputs to the Cloud Service. Use of the Cloud Service will not affect Client's existing ownership or license rights in such Content. IBM and its contractors, and subprocessors may access and use the Content solely for the purpose of providing and managing the Cloud Service, unless otherwise described in a TD.

b. Client is responsible for obtaining all necessary rights and permissions to enable, and grants such rights and permissions to, IBM, and its contractors and subprocessors to use, provide, store and process Content in the Cloud Service. This includes Client making necessary disclosures and obtaining consent, if required, before providing individuals' information, including personal or other regulated information in such Content. If any Content could be subject to governmental regulation or may require security measures beyond those specified by IBM for an offering, Client will not input, provide, or allow such Content unless specifically permitted in the terms of the relevant TD or unless IBM has otherwise first agreed in writing to implement additional security and other measures.

c. Upon request by either party, IBM, Client or their affiliates will enter into additional agreements as required by law in the prescribed form for the protection of personal or regulated personal data included in Content. The parties agree (and will ensure that their respective affiliates agree) that such additional agreements will be subject to the terms of the Agreement.

d. IBM will return or remove Content from IBM computing resources upon the expiration or cancellation of the Cloud Service, or earlier upon Client's request. IBM may charge for certain activities performed at Client's request (such as delivering Content in a specific format). IBM does not archive Content, however some Content may remain in Cloud Service backup files until expiration of such files as governed by IBM's backup retention practices.

e. Each Cloud Service is designed to protect Content as described in the Agreement. IBM's Data Security and Privacy Principles for IBM Cloud Services (DSP), at http://www.ibm.com/cloud/data-security, apply for generally available Cloud Service offerings or as described in the applicable TD. IBM will treat all Content as confidential by not disclosing Content except to IBM employees, contractors, and subprocessors, and only to the extent necessary to deliver the Cloud Service, unless otherwise specified in a TD. Specific security features and functions of a Cloud Service may be provided in an Attachment and TDs. Client is responsible to assess the suitability of each Cloud Service for Client's intended use and Content. By using the Cloud Service, Client acknowledges that it meets Client's requirements and processing instructions.

f. Client acknowledges that i) IBM may modify the DSP from time to time at IBM's sole discretion and ii) such modifications will supersede prior versions. The intent of any modification to the DSP will be to i) improve or clarify existing commitments, ii) maintain alignment to current adopted standards and applicable laws, or iii) provide additional commitments. No modification to the DSP will materially degrade the security of a Cloud Service.

3. Changes

a. IBM may modify a Cloud Service, without degrading its functionality or security features.

b. IBM may withdraw a Cloud Service on 12 months' notice, unless otherwise stated in a TD. IBM will continue to provide the Cloud Service for the remainder of Client's unexpired term or work with Client to migrate to another IBM offering.

c. Since this CSA may apply to many future orders, IBM may modify this CSA by providing Client at least three months' written notice. Changes are not retroactive; they apply, as of the effective date, only to new orders, ongoing Cloud Services that do not expire, and renewals. For transactions with a defined renewable contract period, Client may request that IBM defer the change effective date until the end of the current contract period. Client accepts changes by placing new orders or continuing use after the change effective date or allowing transactions to renew after receipt of the change notice. Except as provided above, all changes to the Agreement must be in writing accepted by both parties.

4. Warranties

a. IBM warrants that it provides Cloud Services using commercially reasonable care and skill in accordance with the applicable Attachment or TD. The warranty for a Cloud Service ends when the Cloud Service ends.

b. **IBM does not warrant uninterrupted or error-free operation of a Cloud Service or that IBM will correct all defects or prevent third party disruptions or unauthorized third party access. These warranties are the exclusive warranties from IBM and replace all other warranties, including the implied warranties or conditions of satisfactory quality, merchantability, non-infringement, and fitness for a particular purpose. IBM warranties will not apply if there has been misuse, modification, damage not caused by IBM, failure to comply with instructions provided by IBM, or if otherwise stated in an Attachment or TD. Non-IBM services are sold under the Agreement as-is, without warranties of any kind.** Third parties may provide their own warranties to Client.

5. Charges, Taxes, and Payment

a. Client agrees to pay all applicable charges specified for a Cloud Service, charges for use in excess of authorizations, and any late payment fees. Charges are exclusive of any customs or other duty, tax, and similar levies imposed by any authority resulting from Client's acquisitions under the Agreement and will be invoiced in addition to such charges. Amounts are due upon receipt of the invoice and payable within 30 days of the invoice date to an account specified by IBM. Prepaid Services must be used within the applicable period. IBM does not give credits or refunds for any prepaid, one-time charges, or other charges already due or paid. IBM may change charges on thirty days' notice or as specified in a TD. Where taxes are based upon the location(s) receiving the benefit of the Cloud Service, Client has an ongoing obligation to notify IBM of such location(s) if different than Client's business address listed in the applicable Attachment or TD.

b. Client agrees to: i) pay withholding tax directly to the appropriate government entity where required by law; ii) furnish a tax certificate evidencing such payment to IBM; iii) pay IBM only the net proceeds after tax; and iv) fully cooperate with IBM in seeking a waiver or reduction of such taxes and promptly complete and file all relevant documents.

6. Liability and Indemnity

a. IBM's entire liability for all claims related to the Agreement will not exceed the amount of any actual direct damages incurred by Client up to the amounts paid (if recurring charges, up to 12 months' charges apply) for the service that is the subject of the claim, regardless of the basis of the claim. IBM will not be liable for special, incidental, exemplary, indirect, or economic consequential damages, or lost profits, business, value, revenue, goodwill, or anticipated savings. These limitations apply collectively to IBM, its affiliates, contractors, subprocessors, and suppliers.

b. The following amounts are not subject to the above cap: i) third party payments referred to in the paragraph below; and ii) damages that cannot be limited under applicable law.

c. If a third party asserts a claim against Client that an IBM Service acquired under the Agreement infringes a patent or copyright, IBM will defend Client against that claim and pay amounts finally awarded by a court against Client or included in a settlement approved by IBM, provided that Client promptly (i) notifies IBM in writing of the claim, (ii) supplies information requested by IBM, and (iii) allows IBM to control, and reasonably cooperates in, the defense and settlement, including mitigation efforts.

d. IBM has no responsibility for claims based on non-IBM products and services, items not provided by IBM, or any violation of law or third party rights caused by Client's Content, materials, designs, or specifications.

7. Termination

a. IBM may suspend, revoke or limit Client's use of a Cloud Service if IBM determines there is a material breach of Client's obligations, a security breach, or violation of law. If the cause of the suspension can reasonably be remedied, IBM will provide notice of the actions Client must take to reinstate the Cloud Service. If Client fails to take such actions within a reasonable time, IBM may terminate the Cloud Service. Failure to pay is a material breach.

b. Either party may terminate this CSA: i) without cause on at least one month's notice to the other after expiration or termination of its obligations under the Agreement; or ii) immediately for cause if the other is in material breach of the Agreement, provided the one who is not complying is given notice and reasonable time to comply. Any terms that by their nature extend beyond the Agreement termination remain in effect until fulfilled, and apply to successors and assignees. Termination of this CSA does not terminate TDs, and provisions of this CSA as they relate to such TDs remain in effect until fulfilled or otherwise terminated in accordance with their terms.

c. Client may terminate a Cloud Service on one month's notice: (i) at the written recommendation of a government or regulatory agency following a change in either applicable law or the Cloud Services; (ii) if IBM's modification to the computing environment used to provide the Cloud Service causes Client to be noncompliant with applicable laws; or (iii) if IBM notifies Client of a modification that has a material adverse effect on Client's use of the Cloud Service, provided that IBM will have 90 days to work with Client to minimize such effect. In the event of such termination, IBM shall refund a portion of any prepaid

amounts for the applicable Cloud Service for the period after the date of termination. If the Agreement is terminated for any other reason, Client shall pay to IBM, on the date of termination, the total amounts due per the Agreement. Upon termination, IBM may assist Client in transitioning Client's Content to an alternative technology for an additional charge and under separately agreed terms.

8. Governing Laws and Geographic Scope

a. Each party is responsible for complying with: i) laws and regulations applicable to its business and Content; and ii) import, export and economic sanction laws and regulations, including defense trade control regime of any jurisdiction, including the International Traffic in Arms Regulations and those of the United States that prohibit or restrict the export, re-export, or transfer of products, technology, services or data, directly or indirectly, to or for certain countries, end uses or end users. Client is responsible for its use of IBM and non-IBM products and services.

b. Both parties agree to the application of the laws of the State of New York, United States, without regard to conflict of law principles. The rights and obligations of each party are valid only in the country of Client's business address. If Client or any user exports or imports Content or use of any portion of the Cloud Service outside the country of Client's business address, IBM will not serve as the exporter or importer. If any provision of the Agreement is invalid or unenforceable, the remaining provisions remain in full force and effect. Nothing in the Agreement affects statutory rights of consumers that cannot be waived or limited by contract. The United Nations Convention on Contracts for the International Sale of Goods does not apply to transactions under the Agreement.

9. General

a. IBM is an independent contractor, not Client's agent, joint venturer, partner, or fiduciary, and does not undertake to perform any of Client's regulatory obligations, or assume any responsibility for Client's business or operations. Each party is responsible for determining the assignment of its personnel, and all contractors and subprocessors, and for their direction, control, and compensation.

b. IBM maintains a robust set of business conduct and related guidelines covering conflicts of interest, market abuse, anti-bribery & corruption, and fraud. IBM and its personnel comply with such policies and require contractors and subprocessors to have similar policies.

c. Account Data is information Client provides to IBM, other than Content, about Client or its users that IBM needs to enable Client's use of a Cloud Service or information concerning such use. IBM, its contractors and subprocessors may process, store and use Account Data wherever they do business to enable product features, administer use, personalize experience, and otherwise support or improve use of the Cloud Service as described in IBM's Online Privacy Statement.

d. IBM Business Partners who use or make available IBM Cloud Services are independent from IBM and unilaterally determine their prices and terms. IBM is not responsible for their actions, omissions, statements, or offerings.

e. Neither party may assign the Agreement, in whole or in part, without the prior written consent of the other. Assignment of IBM rights to receive payments or assignment by IBM in conjunction with the sale of the portion of IBM's business that includes a service is not restricted.

f. This CSA applies to IBM and Client and their respective Enterprise companies who avail themselves of the CSA. The parties shall coordinate the activities of Enterprise companies under the Agreement. Enterprise companies include (i) companies within the same country that Client or IBM control (by owning greater than 50% of the voting shares), and (ii) any other entity that controls, is controlled by or is under common control with Client or IBM and has signed a participation agreement.

g. All notices under the Agreement must be in writing and sent to the business address specified for the Agreement, unless a party designates in writing a different address. The parties consent to the use of electronic means and facsimile transmissions for communications as a signed writing. Any reproduction of the Agreement made by reliable means is considered an original. The Agreement supersedes any course of dealing, discussions or representations between the parties.

h. No right or cause of action for any third party is created by the Agreement or any transaction under it. Neither party will bring a legal action arising out of or related to the Agreement more than two years after the cause of action arose. Neither party is responsible for failure to fulfill its non-monetary obligations due to causes beyond its control. Each party will allow the other reasonable opportunity to comply before it claims the other has not met its obligations. Where approval, acceptance, consent, access, cooperation or similar action by either party is required, such action will not be unreasonably delayed or withheld.

i. IBM may use personnel and resources in locations worldwide, including third party contractors and subprocessors to support the delivery of the Cloud Services. IBM may transfer Content, including personally identifiable information, across country borders. A list of countries where Content may be processed for a Cloud Service is available at www.ibm.com/cloud/datacenters or as described in the Attachment or TD. IBM is responsible for the obligations under the Agreement even if IBM uses a third party contractor or subprocessors unless otherwise set forth in a TD. IBM will require subprocessors with access to Content to maintain technical and organizational security measures that will enable IBM to meet its obligations for a Cloud Service. A current list of subprocessors and their roles will be provided upon request.

j. IBM may offer additional customization, configuration or other services to support Cloud Services, as detailed in a TD.
