Subject: RE: Response

Good morning,

We do not have an immediate concern with your project or project site, and do not currently have the resources to fully investigate same. Should any human remains, archaeological properties or other items of historical importance be unearthed while working on this project, we recommend that you stop your project and report your findings to the appropriate authorities including the Houlton Band of Maliseet Indians.

Thank you,

Isaac St. John
Tribal Historic Preservation Officer
Houlton Band of Maliseet Indians

Subject: Response

Hi there,

I am checking on your response to the attached letter. It was mailed via USPS. If you sent a response and I missed it, I apologize. Can you attach your response and e-mail back to me. The client would like to have.
