State of Maine

Proclamation

WHEREAS, engineers, through their education and experience, are highly skilled professionals contributing as educators, government and business people to an improved quality of life for the people of Maine; and

WHEREAS, opportunities in engineering and science encourage children to pursue education in mathematics and science and provide practical applications for their knowledge and skills; and

WHEREAS, in observance of National Engineers Week, the Maine Engineering Promotional Council has designated February 26 - March 3, 2012 as Maine Engineers Week; and

WHEREAS, thousands of Maine people will be exposed to the contributions of Engineers in our state and the nation through a statewide media campaign; and

WHEREAS, Maine children will be encouraged to consider engineering and science careers through the media campaign and activities including the Maine Engineering Expo; and

WHEREAS, engineering firms, manufacturers, colleges, educators and professional societies will participate in the Maine Engineering Expo providing hands-on activities in engineering and science for hundreds of Maine children,

NOW, THEREFORE, I, PAUL R. LEPAGE, do hereby recognize February 26 - March 3, 2012 as

MAINE ENGINEERS WEEK

throughout the State of Maine, and urge all citizens to recognize this observance.

In testimony whereof, I have caused
the Great Seal of the State to be
hereunto affixed GIVEN under my
hand at Augusta this Fifth
day of March Two-Thousand Twelve

Paul R. LePage
