

# Notice of Agency Rule-making Proposal

MAPA-3 revised 2-2016

AGENCY: Department of Marine Resources

CHAPTER NUMBER AND TITLE: Chapter 10.05: Taking of quahogs in the sub-tidal waters of New Meadows Lakes, Brunswick and West Bath.

PROPOSED RULE NUMBER (*leave blank; to be assigned by Secretary of State*):

## BRIEF SUMMARY:

This proposed rule would establish weekend closed periods and a seasonal closed period for the taking of quahogs in the New Meadows Lakes. Harvesters would be prohibited from fishing or taking quahogs in the New Meadows Lakes during weekends, and winter months from sunset on December 31 through sunrise on April 1. The winter closed period sunsets April 1, 2019. Recent surveys of the New Meadows Lakes conducted by the Maine Department of Marine Resources indicate a decline in the quahog population. These particular effort control measures were proposed at meetings with industry members held in the spring of 2017, and are intended to reduce fishing pressure on the quahog resource, and to minimize the mortality associated with winter fishing.
