It's an opportunity for members of the public to provide feedback on the proposal, prior to the applicant submitting a final application and an eventual public hearing. **This meeting does not determine whether the proposal will be granted.**

How to participate:

You can attend the session or contact the applicant. A copy of the draft lease application, which includes contact information is available on DMR's website under 'Maine Aquaculture Leases and LPAs.' Questions about the leasing process may be sent to: DMRaquaculture@maine.gov
