Dear Ms. Leyden,

Thank you for the July 8, 2022, request for approval of changes to the Maine Coastal Management Program (MCMP) pursuant to the National Oceanic and Atmospheric Administration (NOAA) Coastal Zone Management Act (CZMA) regulations at 15 CFR part 923, subpart H.¹

NOAA's Office for Coastal Management approves the request subject to the qualification below.

NOAA's regulations require that the state post this decision by the Office for Coastal Management for public notice.² The public notice should state that as of the date of this decision letter the enforceable policies identified in the attached Table of Approved Changes shall be applicable in reviewing federal actions pursuant to the federal consistency requirements of the CZMA and its implementing regulations found at 15 CFR part 930.³ Please send a copy of the public notice to the Office for Coastal Management for our records to close out this file.

PUBLIC AND FEDERAL AGENCY COMMENTS

The Office for Coastal Management did not receive any comments on this program change submission.

QUALIFICATION

As a standard qualification applying to all program changes, states may not incorporate enforceable policies by reference. If an approved enforceable policy refers to another statute, regulation, policy, standard, guidance, or other such requirement or document, the referenced policy must be submitted to and approved by the Office for Coastal Management as an enforceable policy in order to be applied under the federal consistency review provisions of the CZMA. No referenced policy may be applied for CZMA federal consistency review purposes unless that policy has been separately reviewed and approved as an enforceable policy by the Office for Coastal Management.

¹ The Office for Coastal Management's decision due date, originally August 8, 2022, was extended to October 14, 2022.

² 15 CFR § 923.81(e)(5).

³ 15 CFR § 923.81(f).

Thank you for your cooperation in this review. Please contact Kerry Kehoe at kerry.kehoe@noaa.gov, or 301-395-4991 if you have any questions. For future correspondence regarding these program changes, please refer to the file number assigned to this action, ME-2022-1.
