## In Honor of Alec Cyr (1975 – 2011)

Alec passed away in October 2011 after a courageous battle with colon cancer. He was a native Mainer who loved the outdoors and was wicked passionate about fishing. Alec was also a wonderful brother, son, husband and father. His son, Chase, was born in May 2011. Therefore, in honor of Alec and his family, half of the proceeds collected from this ice derby will benefit Chase Cyr's college fund! Thanks for your support!
