

Instructions

APPLICATION FOR REGISTRATION: Submit in **TRIPLICATE**. One copy will be returned as your Certificate of Registration. TYPE or PRINT legibly. Applications not properly completed will be returned unprocessed.

NOTE: Only the application form needs to be submitted in triplicate. Only one copy of the final printed label (or EPA stamped label) and MSDS for each new product needs to be submitted.

PESTICIDE PRODUCTS:

1. List each pesticide to be registered by EPA REG #, and full name (brand or otherwise).
2. List status for each product as N (New), R (Renewal), or D (Discontinue, indicate D-1 or D-2). SEE POLICY STATEMENT FOR DISCONTINUED PRODUCTS - BELOW.
3. Indicate (check mark) if fee paid for the product or indicate ABN (Additional Brand Name). SEE REMITTANCE - BELOW
4. List the predominant use category code for each product. A-Agricultural (Plant & Animal), B-Homeowner (Indoor), C-Homeowner (Outdoor-Lawn), D-Homeowner (Outdoor-Other), E-Germicide, Sanitizer, Disinfectant, F-Pet Product, G-Swimming Pool/Spa, H-Industrial/Biocide, I-Commercial Pest Control Operator, J-Paint, Stain, Preservative, K-Commercial Turf, L-Commercial Ornamental, M-Nursery/ Greenhouse, N-Repellent, O- Technical, Manufacturing, P-Forestry, Right of Way, Q-Non Crop, R-Aquatic
5. For each **Herbicide** being registered indicate (check) if there is an aquatic use on the label that allows application to public waters such as lakes, ponds, streams and rivers.
6. Provide for each product listed a complete and legible EPA registered label and MSDS.

REMITTANCE:

1. The annual registration fee is \$150.00 per product.
2. In limited instances, only one fee is required for the registration of similar pesticide products if all four conditions apply:
 - a. Products have the same chemical formulation;
 - b. Products are manufactured by the same company;
 - c. Products are intended for the same use; and
 - d. Products have labeling which identify them as the same pesticide.

RE-REGISTRATION:

All registrations expire December 31 of each year and must be renewed annually. It is not necessary to submit labels and MSDSs with renewals unless they have changed since the last submission. Revised labels and MSDSs must be submitted at time of the revision.

POLICY STATEMENT FOR DISCONTINUED PRODUCTS:

Products which are discontinued by a manufacturer shall be re-registered for a period of two years to permit time for distributors to dispose of stock in the channels of trade. Said two year limit covers the year in which the item was declared to be discontinued (D-1) and one additional year (D-2).
