

MLOCR (Multi Line Optical Character Reader):

IF mail meets all standards and saturation requirements it is .391 cents per piece.

Class 22: .03 for discounted mail

If mail is run through the MLOCR and qualifies for a discount the State Postal Services will take 3 cents of the discount for operating cost of the machinery

Class: 66 left over postage (white mail)

Not all mail run through the MLOCR makes the lowest rate possible due to bad addresses and poor mail design This is the additional postage billed back to agencies for the difference.
