

DOCUMENT 000025 - ADVERTISEMENT FOR BIDS

Sealed proposals, in envelopes plainly marked Proposal for Construction of NMCC Wind Turbine Lab Project, Presque Isle, Maine addressed to:

Northern Maine Community College
33 Edgemont Drive
Presque Isle, Maine 04769

will be opened and read aloud at the Northern Maine Community College, at 2 PM, on Thursday, December 13, 2012. Bids received after this time will not be accepted.

Bid security will not be required for this project.

The Owner reserves the right to waive all formalities, and reject any and all proposals or to accept any proposal. Proposals shall be submitted upon the form provided by the Architect.

Bidders take note that Minority and Women's Business Enterprises are encouraged to submit proposals or subcontract (to General Contractors) for this construction project.

Contract Performance and Payment Bonds will not be required for this project.

On or about November 28, 2012 Drawings and Specifications may be obtained in electronic format from WBRC Architects-Engineers by contacting Donna Allen via email donna.allen@wbrcae.com. Provide company name, company address, phone, fax, and contact full name and email address in requesting email. No partial sets will be issued.

Printed sets of Drawings and Specifications may be obtained from Northeast Reprographics, 80 Central Street, Bangor, Maine Tel 947-8049. Contractors requesting paper copies by mail must make arrangements with Northeast Reprographics. No partial sets will be issued.
