General Statement of Professional Experience (written by firm)

Milone & MacBroom, Inc. is a privately held Connecticut corporation founded in 1984 and licensed for the practice of engineering, surveying, and landscape architecture. We are one of the largest consulting firms in the Northeast, serving clients from Maine to South Carolina to Illinois. Our Maine office is responsible for the planning, design, and construction support services for such projects as roadways, waterfront, corridor studies, river restoration, bikeways, transportation/traffic studies, dam removals, parking lot, subdivisions, and industrial parks. Our clients include the Maine Department of Transportation and numerous Maine municipalities.
