PRE-QUALIFIED FOR Architectural
STATEMENT BY FIRM Deane Rykerson AIA NCARB is principal of Rykerson Architecture, Kittery Point, Maine. He has been involved in building, environment and design for over thirty years from preservation house carpentry in the 1970's and wooden boat restoration at Mystic Seaport to his present expertise in historic preservation of the built environment. With degrees from the State University of New York, Boston Architectural Center, and Harvard University, his work has been published in Boston Magazine and Fine Homebuilding. He is Architect on the Foreside Design Review Committee for the Town of Kittery. He represents House District 1 in the Maine State Legislature.
