General Statement of Professional Experience (written by firm)

For more than three decades, TFH Architects has provided a diverse range of clients throughout northern New England with creative design services. Established as Scott Teas Associates/Architecture Planning in Portland, Maine in 1973, the firm's work has been recognized by awards from the American Institute of Architects and other peer groups and includes many repeat commissions for long-standing clients. Projects in the educational, cultural, civic, commercial and residential sectors range from modest additions to over 200,000 square feet. TFH Architects has earned a reputation of leadership in responsible and sustainable design through its continued practice.
