STATEMENT BY FIRM T.Y. Lin International (TYLI) is a multi-disciplinary engineering firm with offices throughout the United States and Asia. TYLI's Falmouth, Maine office currently has MaineDOT's General Service Agreements for bridge, highway, multi-modal and construction services; an On-Call contract for traffic engineering services with the City of Portland; and an On-Call contract with the Maine Turnpike Authority. Once known only for our signature bridges, TYLI has expanded to include services for project large and small in aviation, rail and transit, ports and marine, bridge, facilities, mobility planning, and surface transportation.
