General Statement of Professional Experience (written by firm)

Founded in 1911 and celebrating 100 years in business this year, Tighe & Bond is one of the most experienced engineering firms in New England. In addition to our Appledore division in Portsmouth, New Hampshire, we have three Massachusetts offices (Westfield, Worcester and Pocasset) and two Connecticut offices (Middletown and Shelton). Engineering News Record annually ranks Tighe & Bond among the top design engineering firms nationally. Our firm provides civil engineering and consulting services for clients in government (federal, state and local), industry, healthcare, education, real estate, renewable energy, power utilities and water/wastewater utility markets.

Tighe & Bond has 3 ME registered professional engineers among our 200-person staff. We also have 12 LEED APs, 4 New Hampshire professional geologists, and 3 Certified Professionals in Erosion and Sediment Control.
