General Statement of Professional Experience (written by firm)

One of New England's oldest and most respected engineering consulting firms, Wright-Pierce is dedicated to superior client service. We provide full service expertise in civil, water, wastewater, stormwater, GIS, solid waste, structural, architectural, electrical and mechanical engineering, construction administration, and environmental laboratory analysis. We bring to every project a renewed commitment to exceed our client's expectations for quality projects within budget and on schedule. Wright-Pierce is an award-winning firm recognized as one of the "Top 500 Design Firms" in the country by Engineering News-Record, a highly regarded trade publication of the design and construction industry, and a ranking among Inc. Magazine's fastest growing companies in the country.
