At and near the top of State Government’s management structure, there are employees known as Confidentials. Confidential employees have the responsibility for managing the resources of State Government and establishing State policy. Individually and collectively, confidential employees are ultimately responsible for the efficiency and effectiveness of its programs and services.

Additionally, confidential employees develop for the Governor's consideration management policies and procedures and legislative proposals. They are the link between each Administration and the bureaucracy, and between each Governor and the Legislature.

Confidential employees are in both the unclassified and classified services and are excluded from representation through collective bargaining. There are approximately 900 confidential employees with a variety of backgrounds and expertise, encompassing a broad range of occupations, all working together for the common public good.

This booklet outlines the benefits available to confidential employees. This summary does not supplant Civil Service Law and Rules, except where it broadens some areas covered by specific rules. Questions concerning these benefits or other issues concerning confidential employees may be directed to your department’s Human Resources Representative or:

SECTION I. PAID LEAVE

VACATION LEAVE

Vacation accrual rates and maximum time accrual are as follows:

<table>
<thead>
<tr>
<th>Year Period</th>
<th>Accrual Rate</th>
<th>Maximum Accrual</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 through 5th year*</td>
<td>8 hours per month</td>
<td>320 hours</td>
</tr>
<tr>
<td>6th through 10th year</td>
<td>10 hours per month</td>
<td></td>
</tr>
<tr>
<td>11th through 15th year</td>
<td>12 hours per month</td>
<td></td>
</tr>
<tr>
<td>16th through 20th year</td>
<td>14 hours per month</td>
<td>400 hours</td>
</tr>
<tr>
<td>more than 20 years</td>
<td>16 hours per month</td>

</tr>
</tbody>
</table>

*Upon hire, appointees (i.e., confidential employees who “serve at the pleasure” of the Governor or Commissioners) will be credited for years of prior experience in a comparable position outside of state government for the purpose of rates of accrual of vacation leave.

Effective January 1 of each year, vacation hours which will be earned by a confidential employee for the coming year will be advanced and combined with unused vacation hours from the previous year.

For employees hired to confidential positions after the January 1st posting date of each year, vacation hours which would be earned by these employees for the balance of that year will be advanced for use from the date of hire, with full credit for the month hired. On the next January 1st posting date, the employee will be advanced all vacation hours that would be earned for the full year following.

The calculation of advanced vacation hours will include any increase to the employee's vacation accrual rate which occurs during the year for which the calculation is made.

Employees who separate before the end of a year for which vacation hours have been advanced will be compensated for all such advance hours which actually have been earned and are unused at time of separation up to the maximum accrual limit of 320 or 400 hours.

Vacation accrual rates for confidential employees are based on total service years in State Government, regardless of whether such service is continuous or non-continuous. State service includes service as a legislator or legislative staff, and service in the Judicial Branch, but does not include project or non-status acting capacity employment.

PERSONAL LEAVE DAYS

Confidential employees receive three (3) personal leave days which supplement vacation leave and are provided at the beginning of each calendar year. Confidential employees who are hired after January 1st of any year shall receive the three (3) personal leave days
at time of hire. Unused personal leave days may be carried over and applied toward the maximum vacation accrual.

### HOLIDAY LEAVE
