HUMAN RESOURCES MEMORANDUM 6-93

TO: Commissioners/Department Heads/Administrative
Directors/Personnel Officers

SUBJECT: STATE OF MAINE CIVIL SERVICE LAW

The Civil Service Law has been brought up-to-date with changes through the last legislative session and has been republished.

Copies are available through the Division of Purchases Warehouse. Request the May 1993 "STATE OF MAINE CIVIL SERVICE LAW".

I suggest you order your necessary copies at the earliest in order that you are working from the latest version and to avoid having to wait for reprinting if current supplies are depleted.

Please let Freeman Wood know of any errors or omissions in this document.
