Proposals not received at the Division of Purchases' aforementioned address by the aforementioned deadline will not be considered for contract award.

State of Maine – Maine Charter School Commission
RFP # 201208370
PAYROLL SERVICES FOR TEMPORARY RESOURCE

PART I INTRODUCTION

A. Purpose and Background

The Maine Charter School Commission (“Commission”) is seeking proposals to provide payroll services (time recording, payroll, etc.) for a temporary resource as defined in this Request for Proposals (RFP) document. This document provides instructions for submitting proposals, the procedure and criteria by which the Provider(s) will be selected, and the contractual terms which will govern the relationship between the State of Maine (“State”) and the awarded Bidder(s).

The Commission is seeking bids from temporary staffing agencies or other interested vendors for the purpose of inviting prices for overhead, on a percentage basis, for an Executive Director position identified by the Commission and hired by the Bidder.

The Commission will identify the specific individual who meets its requirements and refer him/her to the selected Bidder. The individual will be an employee of the selected Bidder; therefore, the Bidder will be responsible for time recording, payroll services, unemployment insurance, workers’ compensation insurance, and pay all applicable state and federal taxes. The selected Bidder will also be responsible for maintaining all employee records.

B. General Provisions

1. Issuance of this RFP does not commit the Commission to issue an award or to pay expenses incurred by a Bidder in the preparation of a response to this RFP. This includes attendance at personal interviews or other meetings and software or system demonstrations, where applicable.
2. All proposals should adhere to the instructions and format requirements outlined in this RFP and all written supplements and amendments (such as the Summary of Questions and Answers), issued by the Commission. Proposals are to follow the format and respond to all questions and instructions specified below in the “Proposal Submission Requirements and Evaluation” section of this RFP.
3. Bidders shall take careful note that in evaluating a proposal submitted in response to this RFP, the Commission shall only consider materials provided in the proposal, information obtained through interviews/presentations (if any), and internal Commission information of previous contract history with the Bidder (if any). The proposal shall be signed by a person authorized to legally bind the Bidder and shall contain a statement that the proposal and the pricing contained therein will remain valid and binding for a period of 180 days from the date and time of the bid opening.
4. The RFP and the selected Bidder’s proposal, including all appendices or attachments, will be incorporated in the final contract.
5. Following announcement of an award decision, all submissions in response to this RFP will be considered public records available for public inspection pursuant to the State of Maine Freedom of Access Act (FOAA) (1 M.R.S. §§ 401 *et seq.*). If a Bidder submits materials that it claims are confidential because they are not “public records” pursuant to FOAA, the Bidder must (1) conspicuously and precisely designate those particular portions of its materials as “confidential” and (2) provide the specific statutory or other legal basis that excepts the designated materials from FOAA’s definition of

“public record.” (See 1 M.R.S. § 402; <http://www.maine.gov/foaa/law/exceptions.htm>.) A Bidder’s confidential designation does not ensure nondisclosure of the material; the State shall determine whether submitted materials are “public records.”

6. The Commission, at its sole discretion, reserves the right to recognize and waive minor informalities and irregularities found in proposals received in response to this RFP.

C. Eligibility to Submit Bids

Public agencies, private for-profit companies, and non-profit companies and institutions are invited to submit bids in response to this Request for Proposals.

D. Contract Term

The Commission is seeking a cost-efficient proposal to provide services, as defined in this RFP, for the anticipated contract period defined in the table below. Please note that the dates below are estimated and may be adjusted as necessary in order to comply with all procedural requirements associated with this RFP and the contracting process. The actual contract start date will be established by a completed and approved contract.

Contract Renewal: Following the initial term of the contract, the Commission may opt to renew the contract for three (3) renewal periods of one year each, subject to continued availability of funding and satisfactory performance.

The term of the anticipated contract, resulting from this RFP, is defined as follows:

Period	Start Date	End Date
Initial Period of Performance	October 22, 2012	June 30, 2013
Renewal Period #1	July 1, 2013	June 30, 2014
Renewal Period #2	July 1, 2014	June 30, 2015
Renewal Period #3	July 1, 2015	June 30, 2016

E. Number of Awards

The Commission anticipates making one (1) award as a result of this RFP process.

PART II SCOPE OF SERVICES

A. Purpose

The intent of this RFP is to obtain prices for overhead, as a percentage of the **Employee Hourly Rate** (see below), for an Executive Director position identified by the Commission and hired by the selected Bidder under the following hourly rate for the period October 22, 2012 to June 30, 2013. The Commission further estimates that its expenditures for these services will occur in the category (description below) and proportion outlined below:

Employee Hourly Rate
\$37.50/hour

The actual amount charged to the Commission will be the sum of the (1) hourly rate (shown above) paid to the employee and (2) the overhead cost.

The Commission will identify the specific individual who meets its requirements and refer him/her to the selected Bidder. The individual will be an employee of the selected Bidder; therefore, the Bidder will be responsible for time recording, payroll services, unemployment insurance, workers' compensation insurance, and pay all applicable state and federal taxes. The selected Bidder will also be responsible for maintaining all employee records.

Invoices from the selected Bidder must include documentation of hours worked to be approved for payment by the Commission.

B. Specifications

To reiterate what is noted above, the selected Bidder is not expected to identify the specific individual needed for this position. Nevertheless, the Commission is hereby providing information about the position, so that interested Bidders are able to understand potential risks, if any, involved with the employment such a position.

Pursuant to Maine Public Law 2011, Chapter 414, §2405(8)(C)(1):

The Commission shall, in keeping with its authorizing responsibilities engage professional and administrative staff, separate from the department.

Re: RFP # 201208370

PART IV PROPOSAL SUBMISSION REQUIREMENTS

This section contains instructions for Bidders to use in preparing their proposals. The Bidder's proposal must follow the outline used below, including the numbering and section and sub-section headings as they appear here. Failure to use the outline specified in this section or to respond to all questions and instructions throughout this document may result in the proposal being disqualified as non-responsive or receiving a reduced score. The Commission and its evaluation team for this RFP have sole discretion to determine whether a variance from the RFP specifications should result in either disqualification or reduction in scoring of a proposal. Rephrasing of the content provided in this RFP will, at best, be considered minimally responsive. The Commission seeks detailed yet succinct responses that demonstrate the Bidder's experience and ability to perform the requirements specified throughout this document.

A. Proposal Format

1. For clarity, the proposal should be typed or printed. Proposals should be single-spaced with 1" margins on white 8 ½" x 11" paper using a font no smaller than 12 point Times New Roman or similar.
2. All pages should be numbered consecutively beginning with number 1 on the first page of the narrative (this does not include the cover page) through to the end, including all forms and attachments. For clarity, the Bidder's name should appear on every page, including Attachments. Each Attachment must reference the section or subsection number to which it corresponds.
3. Bidders are asked to be brief and to respond to each question and instruction listed in the "Proposal Submission Requirements" section of this RFP. Number each response in the proposal to correspond to the relevant question or instruction of the RFP.
4. The Bidder may not provide additional attachments beyond those specified in the RFP for the purpose of extending their response. Any material exceeding the proposal limit will not be considered in rating the proposals and will not be returned. Bidders shall not include brochures or other promotional material with their proposals. Additional materials will not be considered part of the proposal and will not be evaluated.
5. Include any forms provided in the application package or reproduce those forms as closely as possible. All information should be presented in the same order and format as described in the RFP.
6. It is the responsibility of the Bidder to provide all information requested in the RFP package at the time of submission. Failure to provide information requested in this RFP may, at the discretion of the Commission's evaluation review team, result in a lower rating for the incomplete sections and may result in the proposal being disqualified for consideration.
7. Bidders should complete and submit the proposal cover page provided in Appendix A of this RFP and provide it with the Bidder's proposal. The cover page must be the first page of the proposal package. It is important that the cover page show the specific information requested, including Bidder address(es) and other details listed. The proposal cover page shall be dated and signed by a person authorized to enter into contracts on behalf of the Bidder.

B. Proposal Contents

Section I Organization Qualifications and Experience

Present a detailed statement of qualifications and summary of relevant experience. If subcontractors are to be used, provide a list that specifies the name, address, phone number, contact person, and a brief description of the subcontractors' organizational capacity and qualifications.

If the Bidder has not provided similar services, note this, and describe experience with projects that highlight the Bidder's general capabilities.

This section should not exceed 1 page.

Section II Specifications of Work to be Performed

The bidder should acknowledge its understanding of the purpose and state its intent to provide the services described in **Part II SCOPE OF SERVICES**.

Section III Cost Proposal

1. General Instructions

- a. The Bidder must submit a cost proposal that covers the entire period of the contract, including any optional renewal periods. Please use the expected contract start date of October 22, 2012 and an end date of June 30, 2016 in preparing this section.
- b. The cost proposal shall include the costs necessary for the Bidder to fully comply with the contract terms and conditions and RFP requirements.
- c. Failure to provide the requested information and to follow the required cost proposal format provided in Appendix B may result in the exclusion of the proposal from consideration, at the discretion of the Commission.
- d. No costs related to the preparation of the proposal for this RFP or to the negotiation of the contract with the Commission may be included in the proposal. Only costs to be incurred after the contract effective date that are specifically related to the implementation or operation of contracted services may be included.
- e. The proposed overhead rate(s) must be expressed as a percentage of the **Employee Hourly Rate**.

Section IV Economic Impact within the State of Maine

In addition to all other information requested within this RFP, each Bidder must dedicate a section of its proposal to describing the Bidder's economic impact upon and within the State of Maine. The use of economic impact in making contract award decisions is required in accordance with Executive Order 2012-004, which states that certain service contracts "...advertised for competitive bid shall include scoring criteria evaluating the responding Bidder's economic impact on the Maine economy and State revenues."

For the purposes of this RFP, the term "economic impact" shall be defined as any activity that is directly performed by or related to the Bidder and has a direct and positive impact on the Maine economy and public revenues within the State of Maine. Examples may include, but are not limited to, employment of Maine residents, subcontracting/partnering with Maine businesses, payment of State and Local taxes (such as corporate, sales, or property taxes), and the payment of State licensing fees for the Bidder's business operations.

To complete the "economic impact" section of the Bidder's proposal, the Bidder shall include no more than one page of typed text, describing the Bidder's current, recent, or projected economic impact with the State of Maine, as defined above. The Bidder may include all details and information that it finds to be most relevant for this section.

PART V PROPOSAL EVALUATION AND SELECTION

Evaluation of the submitted proposals shall be accomplished as follows:

A. Evaluation Process - General Information

1. An evaluation team, comprised of qualified reviewers, will judge the merits of the proposals received in accordance with the criteria defined in the RFP, and in accordance with the most advantageous cost and economic impact considerations (where applicable) for the State.
2. Officials responsible for making decisions on the selection of a contractor shall ensure that the selection process accords equal opportunity and appropriate consideration to all who are capable of meeting the specifications. The goals of the evaluation process are to ensure fairness and objectivity in review of the proposals and to ensure that the contract is awarded to the Bidder whose proposal best satisfies the criteria of the RFP at a reasonable/competitive cost.
3. The Commission reserves the right to communicate and/or schedule interviews/presentations with Bidders if needed to obtain clarification of information contained in the proposals received, and the Commission may revise the scores assigned in the initial evaluation to reflect those communications and/or interviews/presentations. The Commission reserves the right to make video or audio recordings of any applicable interview/presentation process. Interviews/presentations are not required, and changes to proposals will not be permitted during any interview/presentation process. Therefore, Bidders should submit proposals that present their costs and other requested information as clearly and completely as possible.

B. Scoring Weights and Process

1. **Scoring Weights:** The score will be based on a 100 point scale and will measure the degree to which each proposal meets the following criteria.

Section I. Organization Qualifications and Experience (10 points)

Includes all elements addressed above in Part IV, Section I.

Section II. Specifications of Work to be Performed (5 points)

Includes all elements addressed above in Part IV, Section II.

Section III. Cost Proposal (80 points)

Includes all elements addressed above in Part IV, Section III.

Section IV. Economic Impact within the State of Maine (5 points)

Includes all elements addressed above in Part IV, Section III.

2. **Scoring Process:** The review team will use a consensus approach to evaluate the bids. Members of the review team will not score the proposals individually but instead will arrive at a consensus as to assignment of points on each category of each proposal. The contract award(s) will be made to the Bidder(s) receiving the highest number of evaluation points, based upon the proposals' satisfaction of the criteria established in the RFP. The Economic Impact section will also be scored using a consensus approach, with the highest number of evaluation points being assigned to the Bidder(s) with the most economic impact, actual or feasible, as determined by the evaluation team. The Cost section will be scored according to a mathematical formula described below.

- 3. Scoring the Cost Proposal:** The total cost proposed for conducting all the functions specified in this RFP will be assigned a score according to a mathematical formula. The lowest bid will be awarded 80 points. Proposals with higher bids values will be awarded proportionately fewer points calculated in comparison with the lowest bid.

The scoring formula is:

$$(\text{lowest submitted cost proposal} / \text{cost of proposal being scored}) \times 80 = \text{pro-rated score}$$

No Best and Final Offers: The State of Maine will not seek a best and final offer (BAFO) from any Bidder in this procurement process. All Bidders are expected to provide their best value pricing with the submission of their proposal.

- 4.** The Commission reserves the right to negotiate with the successful Bidder to finalize a contract at the same rate or cost of service as presented in the selected proposal. Such negotiations may not significantly vary the content, nature or requirements of the proposal or the Commission's Request for Proposals to an extent that may affect the price of goods or services requested. The Commission reserves the right to terminate contract negotiations with a selected respondent who submits a proposed contract significantly different from the proposal they submitted in response to the advertised RFP. In the event that an acceptable contract cannot be negotiated with the highest ranked Bidder, the Commission may withdraw its award and negotiate with the next-highest ranked Bidder, and so on, until an acceptable contract has been finalized. Alternatively, the Commission may cancel the RFP, at its sole discretion.

C. Selection and Award

- 1.** The final decision regarding the award of the contract will be made by representatives of the Commission subject to approval by the State Purchases Review Committee.
- 2.** Notification of contractor selection or non-selection will be made in writing by the Commission.
- 3.** Issuance of this RFP in no way constitutes a commitment by the State of Maine to award a contract, to pay costs incurred in the preparation of a response to this request, or to pay costs incurred in procuring or contracting for services, supplies, physical space, personnel or any other costs incurred by the Bidder.
- 4.** The Commission reserves the right to reject any and all proposals or to make multiple awards.

D. Appeal of Contract Awards

Any person aggrieved by the award decision that results from this RFP may appeal the decision to the Director of the Bureau of General Services in the manner prescribed in 5 MRSA § 1825-E and 18-554 Code of Maine Rules, Chapter 120. The appeal must be in writing and filed with the Director of the Bureau of General Services, 9 State House Station, Augusta, Maine, 04333-0009 within 15 calendar days of receipt of notification of contract award.

PART VI CONTRACT ADMINISTRATION AND CONDITIONS

A. Contract Document

1. The successful Bidder will be required to execute a contract in the form of a State of Maine Agreement to Purchase Services (BP54). A list of applicable Riders is as follows:

Rider A: Specification of Work to be Performed

Rider B: Method of Payment and Other Provisions

Rider C: Exceptions to Rider B

Rider G: Identification of Country in Which Contracted Work Will Be Performed

The complete set of standard BP54 contract documents may be found on the Division of Purchases website at the following link: <http://www.maine.gov/purchases/info/forms/BP54.doc>

Other forms and contract documents commonly used by the State can be found on the Division of Purchases website at the following link: <http://www.maine.gov/purchases/info/forms.shtml>

2. Allocation of funds is final upon successful negotiation and execution of the contract, subject to the review and approval of the State Purchases Review Committee. Contracts are not considered fully executed and valid until approved by the State Purchases Review Committee and funds are encumbered. No contract will be approved based on an RFP which has an effective date less than fourteen (14) calendar days after award notification to Bidders. (Referenced in the regulations of the Department of Administrative and Financial Services, Chapter 110, § 3(B)(i): <http://www.maine.gov/purchases/policies/110.shtml>

This provision means that a contract cannot be effective until at least 14 days after award notification.

3. The Commission estimates having a contract in place by October 22, 2012. The State recognizes, however, that the actual contract effective date depends upon completion of the RFP process, date of formal award notification, length of contract negotiation, and preparation and approval by the State Purchases Review Committee. Any appeals to the Commission's award decision(s) may further postpone the actual contract effective date, depending upon the outcome. The contract effective date may need to be adjusted, if necessary, to comply with mandated requirements.
4. In providing services and performing under the contract, the successful Bidder shall act independently and not as an agent of the State of Maine.

B. Standard State Agreement Provisions

1. Agreement Administration
 - a. Following the award, an Agreement Administrator from the Commission will be appointed to assist with the development and administration of the contract and to act as administrator during the entire contract period. Commission staff will be available after the award to consult with the successful Bidder in the finalization of the contract.
 - b. In the event that an acceptable contract cannot be negotiated with the highest ranked Bidder, the Commission may withdraw its award and negotiate with the next-highest ranked Bidder, and so on, until an acceptable contract has been finalized. Alternatively, the Commission may cancel the RFP, at its sole discretion.

2. Payments and Other Provisions

The State anticipates paying the Contractor on the basis of net 30 payment terms, upon the receipt of an accurate and acceptable invoice. An invoice will be considered accurate and acceptable if it contains a reference to the State of Maine contract number, contains correct pricing information relative to the contract, and provides any required supporting documents, as applicable, and any other specific and agreed-upon requirements listed within the contract that results from this RFP.
