Dear Amy and Members of the Maine Virtual Academy Board of Directors,

I have enjoyed working with all of you as a member of the MEVA Board over the past months. As I worked with you to prepare, to present our application and to plan for the future, I became interested in taking a more active role in the leadership of MEVA and so I applied for the position of Chief Executive Officer. I made this decision I watched each of you, observed your commitment and became convinced that MEVA will provide a new and exciting educational option to Maine students and families.

So, I am submitting my resignation to the MEVA Board of Directors and accepting your offer to serve as the CEO of MEVA. I am honored that you have placed your trust in me as we move forward to develop this unique learning environment.

I thank you for selecting me to fill the position of CEO for MEVA. I will do my best to move MEVA forward in the coming months. I am also very pleased that I will be reporting to and working closely with each of you to create this new charter school in Maine.

Sincerely,

Beth A. Lorigan
