

# Maine Charter School Commission

July 22, 2016

Dear Linda Veilleux and Bob Kautz,

First I would like to express my gratitude for allowing me the chance to work with yourself, Gina, and the Commission members learning about the Maine Charter Schools. I am grateful to have had such a wonderful opportunity.

I have accepted another position that will allow me the opportunity to work with children as well as receive benefits.

My last day with the Maine Charter School Commission will be Friday, July 29, 2016. I thank you again for sharing your knowledge and experiences with me.

Sincerely,

*Heather G. Fuller*
