Subject: Board of Directors update at MeANS

Good Afternoon,

Wanted to let you know we had our annual meeting on June 17th for the MeANS Board of Directors. They have selected their slate of officers and had one resignation off the board:

Judy Lucarelli resigned from the Board, stating she can not make the meetings due to a new construction project at her school and she will not have the time. The board accepted her resignation with regret and wish her well with the construction project. The slate of officers are as follows: Gordon Donaldson, Board Chair; Cheryl Gwadosky, Vice-Chair; and Mara Casey Ticken, Secretary. Please let me know if you need any additional information. Attached is the list of board members for MeANS as of July 1, 2016.

Best,
Rob
