## **Opportunity for Public Comment**

**October 7, 2015**

**1:00 PM**

**Spectacular Event Center & Catering, 395 Griffin Road, Bangor**

The Commission will be holding its regular business meeting on October 7 in Bangor. At this meeting, the Commission will receive public comment on its ongoing review of its subdivision rules, beginning at 1:00 PM. In particular, the Commission would appreciate comments on: any issues of importance that the stakeholder process did not fully address; things to consider as the Commission, in consultation with stakeholders, proceeds to rule development; and suggestions about individuals or groups that the Commission should reach out to for broader public involvement in the next set of discussions and notices.

The Maine Forest Products Council has requested time for several of its members to address the Commission during this opportunity for public comment. While there is no pre-registration requirement to address the Commission, to help us coordinate the public comment session if you know you would like to speak or if there are any materials you would like to provide the Commission in advance of the October 7 meeting, please contact Stacie Beyer at 941-4593 or [stacie.beyer@maine.gov](mailto:stacie.beyer@maine.gov).

The meeting is open to members of the public.
