Applicant's Statement

I have examined this application, including the accompanying exhibits, and to the best of my knowledge and belief, it is true, accurate, and complete. I understand and acknowledge that I am responsible for compliance with all limitations of any Service Drop issued to me by the Maine Land Use Planning Commission.

Printed Name(s): Jeffrey D. Richardson
 Signature(s): Jeffrey D. Richardson Date: 8/13/15

Approval: Based upon the information supplied by the applicant(s), the staff have determined that the applicant(s) meets the requirements for receiving a Service Drop. This Service Drop authorizes an individual service drop to your structure only. You may need a separate roadside easement for the actual transmission line extension to your lot. The Utility Company may need a separate LUPC Utility Line Permit. This Service Drop does not authorize the construction of any new structures or the installation or alteration of any plumbing, water supply, or sewage disposal systems on the property.

EXHIBIT: SITE PLAN

Prepare a bird's-eye view site plan that shows your entire property and includes all the elements in your application.

Notes/Legend:

Power line now from Camp three trees

Presently this garage gets its power from the Camp on the front lot with a line run thru the trees. I would like to make it better by putting in a new separate service with a line from the existing C.M.P. pole.
