Concord, New Hampshire 03301

Dear Mr. Conant,

The Maine Forest Service received your NRPA Permit by Rule application on October 27, 2014 for the upgrade of an existing skid trail to a truck road into Lot #6 adjacent to Webb Lake in Weld, Maine. The Permit by Rule (PBR) form has been reviewed by Maine Forest Service and was found to be complete.

The review of PBR 14009 by Maine Forest Service finds that your project as outlined in the application will meet the requirements for the Permit by Rule, Chapter 305, Section 10 for the planned upgrade of the skid trail. You may proceed with the project as it has been described in the application PBR 14009.

Please refer to the Permit by Rule standards for guidance to insure that the project meets or exceeds standards: <http://www.maine.gov/sos/cec/rules/06/096/096c305.doc> .

Please contact me if you have any questions.

Sincerely,
