Dear Mr Briggs,

The Maine Forest Service received your NRPA Permit by Rule application on November 26, 2014 for the construction of a permanent stream crossing across on Ladd Brook on land owned by LMP Properties in Monson, Maine. The Permit by Rule (PBR) form has been reviewed by Maine Forest Service and was found to be complete.

The review of PBR 14010 by Maine Forest Service finds that your project as outlined in the application will meet the requirements for the Permit by Rule, Chapter 305, Section 10 for the planned construction of the permanent crossing. You may proceed with the project as it has been described in the application PBR 14010.

Please refer to the Permit by Rule standards for guidance to insure that the project meets or exceeds standards: <http://www.maine.gov/sos/cec/rules/06/096/096c305.doc> .

Please contact me if you have any questions.

Sincerely,
