Cumberland, Maine 04021

Dear Mr. and Mrs. Hessert,

The Maine Forest Service received a NRPA Permit by Rule application from the Department of Environmental Protection on September 18, 2015 for the construction of two stream crossings across tributaries of the Piscataqua River on your property in Cumberland, Maine which was submitted by Erik Grove who is acting as your agent. The Permit by Rule (PBR) form has been reviewed by the Maine Forest Service and was found to be complete.

The review of PBR 15019 by the Maine Forest Service finds that the project as outlined in the application will meet the requirements for the Permit by Rule, Chapter 305, Section 10 for the planned construction of the crossings. You may proceed with the project as it has been described in the application PBR 15019.

Please refer to the Permit by Rule standards for guidance to insure that the project meets or exceeds standards: <http://www.maine.gov/sos/cec/rules/06/096/096c305.doc>

Please contact me if you have any questions.

Sincerely,

James Ecker
