Dear David,

The Maine Forest Service received your NRPA Permit by Rule application on April 28, 2016 for the construction of two permanent bridges across the Bear River on property belonging to Green Mountain Land Holdings, LLC in Newry, Maine. The Permit by Rule (PBR) form has been reviewed by the Maine Forest Service and was found to be complete.

The review of PBR 16008 by the Maine Forest Service finds that your project as outlined in the application will meet the requirements for the Permit by Rule, Chapter 305, Section 10 for the planned construction of the permanent crossings. You may proceed with the project as it has been described in the application PBR 16008.

Please refer to the Permit by Rule standards for guidance to insure that the project meets or exceeds standards:

Please contact me if you have any questions.

Sincerely,

James Ecker
