Dear Mr. Stultz,

The Maine Forest Service received your NRPA Permit by Rule application on September 02, 2016 for the installation of a permanent crossing across a tributary of the Crooked River on property owned by Loon Echo Land Trust. in Harrison, Maine. The Permit by Rule (PBR) form has been reviewed by the Maine Forest Service and was found to be complete.

The review of PBR 16031 by the Maine Forest Service finds that your project as outlined in the application will meet the requirements for the Permit by Rule, Chapter 305, Section 10 for the planned construction of the permanent crossing. You may proceed with the project as it has been described in the application PBR 16031.

Please refer to the Permit by Rule standards for guidance to insure that the project meets or exceeds standards:
