

Ruta Dzenis, Senior Planner
 Municipal Planning Assistance Program 287-2851
 Maine Department of Agriculture, Conservation and Forestry

Coastal Community Grant Program Grant Awards	maine FY	Primary Issue area	Grant amount	completion date
Southern Maine Planning and Development Commission (SMPDC) - Implementation of Piscataquis River Estuary Management Plan (PREP)	12	see "SMPDC PREMP" projects listed individually		6.30.13.
Arrowsic Alewife Restoration and Wildlife Crossing	12	coastal habitat restoration	\$ 11,340	12.30.12
Augusta - Final Design of Restoring a Historical Alewife Run of Significance to the Lower Kennebec	14	coastal habitat restoration	\$ 15,863	12.31.15.
Bristol - Citizen Science and engineering to Plan the Restoration of Pemaquid River Alewife	14	coastal habitat restoration	\$ 14,250	5.31.15.
Brunswick - Community Project to remove invasive European Green Crabs from two coves in Brunswick	14	coastal habitat restoration	\$ 49,760	5.31.15.
MidCoast Council of Governments/Kennebec Estuary Land Trust Improving the Efficiency of Shellfish Growing Areas	12	coastal habitat restoration	\$ 47,500	6.30.13.
Phippsburg Citizen Science and Engineering to Improve Fish Passage at Center Pond	15	coastal habitat restoration	\$ 18,000	12.31.15
Lincoln County Regional Planning Commission - Coastal Habitats (Stream Smart Crossings)	15	coastal habitat restoration	\$ 5,250	12.31.15
Topsham Little River Fish Passage Barrier Survey	12	coastal habitat restoration	\$ 5,147	12.31.12.
Woolwich/Kennebec Estuary Land Trust Nequasset Fishway Restoration Planning	12	coastal habitat restoration	\$ 16,527	4.30.13.
Woolwich/Kennebec Estuary Land Trust Nequasset Fishway Construction Materials	14	coastal habitat restoration	\$ 30,262	12.31.14.
Warren Coastal Habitat "Stream Smart" Culvert Replacement Initiative	15	coastal habitat restoration	\$ 34,965	11.30.16.
Chebeague Island Coastal Hazards and Adaptation Study	16	coastal resiliency	\$ 15,000	12.31.16.
Damariscotta - Downtown Damariscotta Coastal Hazards Preliminary Engineering Study	14	coastal resiliency	\$ 20,000	4.30.15.
Hancock County Planning Commission - Adapting Stonington Working Waterfront: Implementation Strategy for Resiliency	15	coastal resiliency	\$ 31,562	3.31.16.
Islesboro: Resilience Planning for the Future with the Threat of Flooding from Storm Surge & SLR	16	coastal resiliency	\$ 40,000	12.31.16.
Lincoln County Regional Planning Commission: Coastal Hazards Resilience Project (Part I)	12	coastal resiliency	\$ 35,040	6.30.13.
Lincoln County Regional Planning Commission: Coastal Hazard Resilience Part II	15	coastal resiliency	\$ 10,748	12.31.15
Lincoln County Regional Planning Commission: Boothbay Harbor Waste Water Treatment Plant Coastal Hazard Resilience Project and resiliency tools	16	coastal resiliency	\$ 20,000	12.31.16.
Lincoln County Regional Planning Commission: Downtown Boothbay Harbor Adaptation Options for Increased Storm Surge Resiliency and Resiliency Tools	17	coastal resiliency	\$ 28,000	12.31.17.
SMPDC - PREP - York Comprehensive Plan Sea Level Adaptation Chapter	12	coastal resiliency	\$ 8,000	6.30.13.
Wiscasset Waste Water Treatment Plant Coastal Hazard Resilience Project	16	coastal resiliency	\$ 20,000	12.31.16.

Coastal Community Grant Program Grant Awards	Maine		Grant amount	Completion date
	FY	Primary Issue area		
Vinalhaven Coastal Flooding Vulnerability Study of Downstreet Business District	17	coastal resiliency	\$ 45,000	12.31.17.
Washington County Council of Governments - Working Waterfronts Preparing for Climate Change (Milbridge, Jonesport, Machiasport, Cutler, Lubec and Eastport)	14	coastal resiliency	\$ 26,000	5.31.15. Grantee withdrew
Cutler Public Access Project	12	harbor and water access planning	\$ 12,338	4.30.13.
Cutler Harbor Public Access Project - construction materials (supplements SHIP grant)	16	harbor and waterfront access	\$ 25,500	12.31.16.
Belfast Rangeway Management Plan Project	16	water access	\$ 25,500	4.29.17.
Wells Harbor Bridge Study	12	water access	\$ 25,000	6.30.13.
Belfast "Passy" (Passagassawakeag River) Rail Trail	12	public access	\$ 40,000	6.30.13.
Camden River to Harbor Walk (Megunticook River)	13	public access	\$ 15,000	12.31.13.
Wells Marsh Walk Project	16	public access	\$ 5,200	6.30.16.
Yarmouth - Reconnecting Yarmouth Village to the Working Waterfront	12	public access	\$ 29,000	12.30.12.
Hancock County Planning Commission - Orland Waterfront Revitalization Project	16	ensuring vibrant, sustainable coastal communities	\$ 14,840	12.31.16.
Bar Harbor Open Space Plan	13	open space planning	\$ 11,000	6.30.14.
SMPDC - PREP - South Berwick Conservation/ Open Space Plan	12	water quality and open space planning	\$ 8,000	6.30.13.
Brunswick Mare Brook Watershed and Community Engagement Project	16	water quality and land use	\$ 47,925	12.31.16.
Ogunquit - Addressing the Effects of Land Use on Water Quality in Ogunquit Watershed (in partnership with Wells, York and South Berwick)	16	water quality and land use	\$ 28,599	12.31.16.
Rockport Addressing the Effects of Land Use on Water Quality	16	water quality and land use	\$ 11,236	12.31.16.
Washington County Council of Governments - Rain Gauges and Shellfish Closure Outreach Project	16	water quality and land use	\$ 27,108	12.31.16.
Downtown Bath Stormwater Management Study	17	stormwater management	\$ 42,000	12.31.17.
Cape Elizabeth Town Center Stormwater Study	16	stormwater management	\$ 16,500	12.30.15.
Eastport Adaptive Responses for Custom Street - design & construction materials	15	stormwater management	\$ 27,794	Grantee withdrew
Ellsworth Stormwater Management and Adaptation Planning	15	stormwater management	\$ 40,000	6.30.16.
Falmouth Route 1 Commercial District Stormwater Management Plan	12	stormwater management	\$ 50,000	12.30.12.
Downtown Gardiner Stormwater Management Study	17	stormwater management	\$ 30,000	12.31.17.
Portland Stormwater Outreach and Sewer Rate Change Project	12	stormwater management	\$ 39,200	6.30.12.
SMPDC - PREP -Stormwater utility feasibility workshop for Kittery, Eliot, South Berwick, York (Berwick and Wells also participated but paid for their portion of the study)	12	stormwater management	\$ 8,000	6.30.13.

Bangor Urbanized Area Stormwater Pollution Prevention ("P2") Project	13	water quality	\$ 8,350	6.30.14.
Camden Water Quality Remediation for Laite Beach and Camden Harbor	12	water quality	\$ 15,000	12.30.12
Georgetown/Kennebec Estuary Land Trust - Georgetown Water Resources Project	13	water quality	\$ 25,200	12.31.13
Hancock County Planning Commission - Blue Hill Bay Water Needs Assessment	12	water quality	\$ 35,000	6.30.13
SMPDC - PREMP Kittery Septic System Mapping and Watershed Protection Project	12	water quality	\$ 5,400	6.30.13
Thomaston/St. Georges River Land Trust Water Quality Monitoring Program	12	water quality	\$ 30,000	3.31.13
TOTAL			\$ 1,246,904	

updated 9.1.16.
