

Ruta Dzenis, Senior Planner
 Municipal Planning Assistance Program 287-2851
 Maine Department of Agriculture, Conservation and Forestry

Coastal Community Grant Program Grant Awards	Project ID #	Maine FY	Primary Issue area	Grant amount	Completion date
Southern Maine Planning and Development Commission (SMPDC) - Implementation of Piscataquis Regional Comprehensive Conservation and Management Plan prepared by Piscataquis River Estuary Partnership (PREP)	54	12	see "SMPDC PREP" projects listed individually (14,16,17 & 24) Total grant amount: \$29,400		6.30.13.
Lincoln County Regional Planning Commission - Coastal Hazard Resilience Phase II	55		see "LCRPC Phase II" projects listed individually (29,35,36) Total grant amount: \$15,998		12.31.14.
Arrowsic Alewife Restoration and Wildlife Crossing	1	12	coastal habitat restoration	\$ 11,340	12.30.12
Augusta - Final Design of Restoring a Historical Alewife Run of Significance to the Lower Kennebec	26	14	coastal habitat restoration	\$ 15,863	12.31.15.
Bristol - Citizen Science and engineering to Plan the Restoration of Pemaquid River Alewife	27	14	coastal habitat restoration	\$ 14,250	5.31.15.
Brunswick - Community Project to remove invasive European Green Crabs from two coves in Brunswick	19	14	coastal habitat restoration	\$ 49,760	5.31.15.
MidCoast Council of Governments/Kennebec Estuary Land Trust Improving the Efficiency of Shellfish Growing Areas	2	12	coastal habitat restoration	\$ 47,500	6.30.13.
Phippsburg Citizen Science and Engineering to Improve Fish Passage at Center Pond	28	15	coastal habitat restoration	\$ 18,000	12.31.15
Lincoln County Regional Planning Commission - link Stream Smart Crossing data with Google maps	29	15	coastal habitat restoration	\$ 6,390	12.31.15
Topsham Little River Fish Passage Barrier Survey	3	12	coastal habitat restoration	\$ 5,147	12.31.12.
Washington County Council of Governments Downeast Sustainability Project River Herring Restoration	31	17	coastal habitat restoration	\$ 41,280	12.31.18.
Woolwich/Kennebec Estuary Land Trust Nequasset Fishway Restoration Planning (Phase I)	4	12	coastal habitat restoration	\$ 16,527	4.30.13.
Woolwich/Kennebec Estuary Land Trust Nequasset Fishway Construction Materials (Phase II)	5	14	coastal habitat restoration	\$ 30,262	12.31.14.
Warren Coastal Habitat "Stream Smart" Culvert Replacement Initiative	30	15	coastal habitat restoration	\$ 34,965	ext. to 11.30.16.
Chebeague Island Coastal Hazards and Adaptation Study	32	16	coastal resiliency	\$ 15,000	ext. to 3.30.17.
Damariscotta - Downtown Damariscotta Coastal Hazards Preliminary Engineering Study	6	14	coastal resiliency	\$ 20,000	ext. to 4.30.15.
Hancock County Planning Commission - Adapting Stonington Working Waterfront: Implementation Strategy for Resiliency	33	15	coastal resiliency	\$ 31,562	ext. to 3.31.16.
Islesboro: Resilience Planning for the Future with the Threat of Flooding from Storm Surge & SLR	34	16	coastal resiliency	\$ 40,000	ext. to 4.30.17.

Coastal Community Grant Program Grant Awards	Project ID	Maine FY	Primary Issue area	Grant amount	Completion date
Lincoln County Regional Planning Commission: Coastal Hazards Resilience Phase I - Outreach with MGS	7	12	coastal resiliency	\$ 35,040	6.30.13.
Lincoln County Regional Planning Commission: Coastal Hazard Resilience Phase II - Cat 1 Hurricane Map Books for Emergency Management	35	15	coastal resiliency	\$ 2,648	12.31.15
Lincoln County Regional Planning Commission: Coastal Hazards Resiliency Tools Phase II - SLR overlay zone in SLZ	36	15	coastal resiliency	\$ 6,960	12.31.15.
Lincoln County Regional Planning Commission: Boothbay Harbor Waste Water Treatment Plant Coastal Hazard Resilience Project (Boothbay Harbor, Boothbay & Southport)	38	16	coastal resiliency	\$ 20,000	12.31.16.
Lincoln County Regional Planning Commission: Downtown Boothbay Harbor Adaptation Options for Increased Storm Surge Resiliency	39	17	coastal resiliency	\$ 28,000	12.31.17.
Lincoln County Regional Planning Commission: Coastal Hazards Resiliency Tools Phase III- SLR overlay zone in Floodplain Management Ordinances	37	17	coastal resiliency	\$ 9,850	12.31.17.
Southern Maine Planning and Development Commission (PREP): Town of York Comprehensive Plan Sea Level Adaptation Chapter	14	12	coastal resiliency	\$ 8,000	6.30.13.
Wiscasset Waste Water Treatment Plant Coastal Hazard Resilience Project	41	16	coastal resiliency	\$ 20,000	12.31.16.
Vinalhaven Coastal Flooding Vulnerability Study of Downstreet Business District	40	17	coastal resiliency	\$ 45,000	12.31.17.
Washington County Council of Governments - Working Waterfronts Preparing for Climate Change (Milbridge, Jonesport, Machiasport, Cutler, Lubec and Eastport)	N/A	14	coastal resiliency	\$ 26,000	Grantee withdrew from grant program
Cutler Public Access Project Part I - concept plan	8	12	harbor and water access planning	\$ 12,338	ext. to 4.30.13.
Cutler Harbor Public Access Project Part II - construction materials (supplements MaineDOT SHIP grant)	42	16	harbor and waterfront access	\$ 25,500	12.31.16.
Belfast Rangeway Management Plan Project	43	16	water access	\$ 25,500	ext. to 11.30.17.
Wells Harbor Bridge Study	15	12	water access	\$ 25,000	ext. to 6.30.13.
Belfast "Passy" (Passagassawakeag River) Rail Trail	20	12	public access	\$ 40,000	ext. to 6.30.13.
Camden River to Harbor Walk (Megunticook River)	21	13	public access	\$ 15,000	12.31.13.
Wells Marsh Walk Project	44	16	public access	\$ 5,200	6.30.16.
Yarmouth - Reconnecting Yarmouth Village to the Working Waterfront	22	12	public access	\$ 29,000	12.30.12.
Hancock County Planning Commission - Orland Waterfront Revitalization Project	45	16	ensuring vibrant, sustainable coastal communities	\$ 14,840	ext.to 3.30.17.
Bar Harbor Open Space Plan	9	13	open space planning	\$ 11,000	ext. to 6.30.14.

Coastal Community Grant Program Grant Awards	Project ID	Maine FY	Primary Issue area	Grant amount	Completion date
Southern Maine Planning and Development Commission (PREP) - South Berwick Conservation/ Open Space Plan	16	12	water quality and open space planning	\$ 8,000	6.30.13.
Brunswick Mare Brook Watershed and Community Engagement Project	46	16	water quality and land use	\$ 47,925	12.31.16.
Ogunquit - Addressing the Effects of Land Use on Water Quality in Ogunquit Watershed (in partnership with Wells, York and South Berwick)	47	16	water quality and land use	\$ 28,599	12.31.16.
Rockport Addressing the Effects of Land Use on Water Quality	48	16	water quality and land use	\$ 11,236	12.31.16.
Washington County Council of Governments - Rain Gauges and Shellfish Closure Outreach Project	49	16	water quality and land use	\$ 27,108	ext. to 6.30.17.
Bath Downtown Stormwater Management Study	50	17	stormwater management	\$ 42,000	12.31.17.
Cape Elizabeth Town Center Stormwater Study	51	16	stormwater management	\$ 16,500	12.30.15.
Eastport Adaptive Responses for Custom Street - design & construction materials	N/A	15	stormwater management	\$ 27,794	Grantee withdrew from grant program
Ellsworth Stormwater Management and Adaptation Planning (includes \$15,000 amendment 1:1 match)	52	15	stormwater management	\$ 40,000	ext. to 6.30.16.
Falmouth Route 1 Commercial District Stormwater Management Plan	10	12	stormwater management	\$ 50,000	12.30.12.
Gardiner Downtown Stormwater Management Study	53	17	stormwater management	\$ 30,000	9.30.17.
Portland Stormwater Outreach and Sewer Rate Change Project	11	12	stormwater management	\$ 39,200	6.30.12.
Southern Maine Planning and Development Commission (PREP) -Stormwater utility feasibility workshop for Kittery, Eliot, South Berwick, York	17	12	stormwater management	\$ 8,000	6.30.13.
Bangor Urbanized Area Stormwater Pollution Prevention ("P2") Project	12	13	water quality	\$ 8,350	6.30.14.
Camden Water Quality Remediation for Laite Beach and Camden Harbor	23	12	water quality	\$ 15,000	12.30.12
Georgetown/Kennebec Estuary Land Trust - Georgetown Water Resources Project	13	13	water quality	\$ 25,200	12.31.13
Hancock County Planning Commission - Blue Hill Bay Water Needs Assessment	18	12	water quality	\$ 35,000	6.30.13
SMPDC - PREP Kittery Septic System Mapping and Watershed Protection Project	24	12	water quality	\$ 5,400	6.30.13
Thomaston/St. Georges River Ridewater Association Water Quality Monitoring Program	25	12	water quality	\$ 30,000	3.31.13
TOTAL CCG Awards				\$ 1,298,034	

updated 1.9.17.
