Applying for Exams for Employees-Agricultural

Welcome

Welcome to the Maine Board of Pesticides Control web portal. We hope this new service helps us continue to provide excellent customer service.

If you need to perform tasks on behalf of your company or agency, you will need to be granted the rights of an Administrator. This can only be done by BPC staff or another Administrator within your company. If you do not already have these rights, please contact us at 207-287-2731 or pesticides@maine.gov

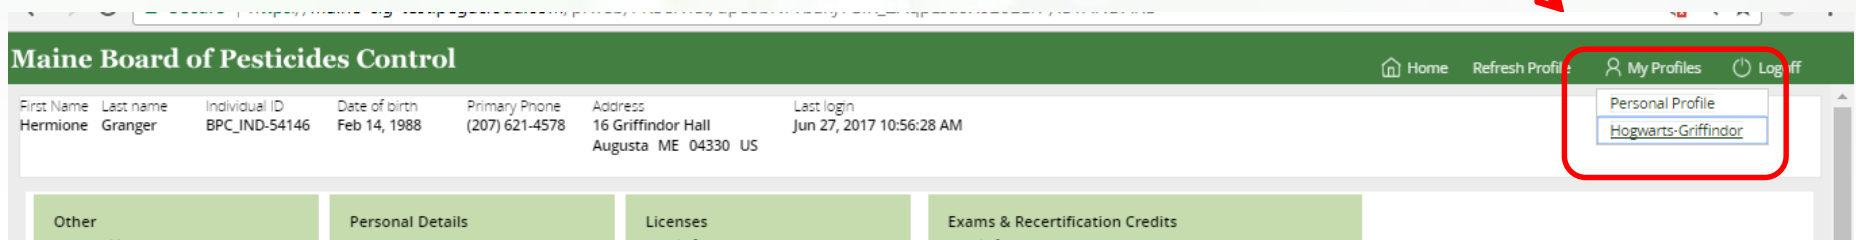

This module describes how a Company Administrator can apply for agricultural exams for employees. Before this can be done, the employee must be in the BPC system and attached to the company/agency. Please review the Adding New Individual module.

Before applying for exams, be sure you understand what type of license is needed. Agricultural exams are taken by those wishing to obtain a Private Applicator license or an Agricultural Basic license. Commercial exams are required for those wishing to obtain a Commercial Operator or Commercial Master license. Distributor exams are required for those wishing to obtain a Restricted Use Pesticide Dealer license. If not sure of the license required, visit www.thinkfirstspraylast.org and select Licensing, Applicators and Distributors on the left navigation bar.

Please note that the screens you see may have changed from what is pictured here, as we are still developing and making improvements, but the functionality remains the same. Contact us at anytime if you have questions.
