B. Amendment Description

ExxonMobil Oil Corporation (ExxonMobil) is required to pay an annual fee to the Department per Conditions (4) and (26) of air emission license A-282-70-A-I. Condition (26) specifically states that ExxonMobil must pay this annual fee within 30 days of March 31<sup>st</sup> of each year.

The Department has instituted a new invoicing system where regulated sources are invoiced based on the quarter of their anniversary date rather than the month. This has the consequence of making the "March 31<sup>st</sup>" date no longer valid. Therefore, ExxonMobil has requested that Condition (26) be removed from their Part 70 license as it has become obsolete. The requirement to pay the annual fee is still maintained under Condition (4).
