### Section C: SIGNATORY REQUIREMENTS

Each application submitted to the Department must include the following statements signed by a Responsible/Authorized Official:

“I certify that the Operator will comply with, and operate the listed equipment to, the terms and conditions of 060-96 CMR 149, *General Permit Regulation for Nonmetallic Mineral Processing Plants.*”

“I certify under penalty of law that I have personally examined the information submitted in this document and all attachments thereto and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe the information is true, accurate, and complete. I authorize the Department to enter the property that is the subject of this application, at reasonable hours, including buildings, structures or conveyances on the property, to determine the accuracy of any information provided herein. I am aware there are significant civil and criminal penalties for submitting false information, including the possibility of fine and imprisonment.”
