

NOTICE OF INTENT TO FILE  
MAINE WASTE DISCHARGE GENERAL PERMIT FOR  
ANTIFOULING PAINT CONTAMINATED WASH WATER

Please take note that, pursuant to the Maine Department of Environmental Protection General Permit for Antifouling Paint Contaminated Wash Water, MEG17000,

\_\_\_\_\_ of \_\_\_\_\_ plans to file a Notice of Intent  
(company name) (address)

for coverage with the Department of Environmental Protection (Department). If the coverage is granted, it will allow the discharge of pollutants from operation of

\_\_\_\_\_ located at \_\_\_\_\_,  
(name of facility) (address of facility)

in \_\_\_\_\_, Maine, subject to the terms and conditions of the General Permit.  
(town)

The Notice will be filed on or about \_\_\_\_\_ and will be available for public inspection at  
(date)

the Department's Augusta office during normal business hours. A copy may also be seen at the (municipal)(county) offices in \_\_\_\_\_. A copy of the General Permit may be  
(municipality or county if unorganized)

obtained from the Department or at <http://www.maine.gov/dep/blwq/docstand/wastepage.htm>

The Department will take no action on the Notice of Intent until 30 days from the date of this publication. Any person wishing to submit comments to the Department regarding the Notice of Intent should do so in writing within 30 days of this publication. Comments should be limited to the applicant's ability to comply with the terms and conditions of the General Permit. The Department will take these comments into consideration in determining whether or not to approve of the Notice of Intent.

Written public comments, requests for information or questions may be directed to the Division of Water Quality Management, Department of Environmental Protection, State House Station #17, Augusta, Maine 04333. Telephone (207) 287-3901.
