

5. Activities that are judged by DEP or LURC acting in its role as certifying agency to have no significant impact on water quality, and activities subject to permit by rule or other general permitting procedures, shall be exempt from the requirements of paragraph's 3 and 4 above.

6. DEP and LURC shall, on a continuing basis, provide each other with current copies of each agency's policies, procedures and regulations as are applicable to water quality certification proceedings.

DONE AND DATED AT AUGUSTA, MAINE

Martha Kirkpatrick, Director
Bureau of Land and Water Quality
Department of Environmental Protection

Date

John S. Williams, Director
