Re: Eastland Woolen Mill Cooperative Agreement 2013 Extension

Dear Mr. Shewack:

Please find attached the Maine Department of Environmental Protection's (MEDEP) no-cost time extension application for the Eastland Woolen Mill Cooperative Agreement (V96129601). Per your conversation with Rebecca Hewett on May 29, 2013, in addition to this letter, the application includes SF-424 form and the e-mail documenting that the application was submitted for intergovernmental review on May 30, 2013.

This cooperative agreement covers support for Institutional Control development activities associated with the former Eastland Woolen Mill in Corinna, Maine for the period of October 1, 2013 thru September 30, 2014. MEDEP is requesting this one year, no cost, time extension as it is taking long than anticipates to complete the remaining environmental covenants (i.e., legal review of title of examinations for fourteen parcels, preparation of environmental covenant documents, etc.)

If you have any questions on the project work, feel free to call Rebecca Hewett at (207) 287-8554 or e-mail her at: [Rebecca.l.hewett@maine.gov](mailto:Rebecca.l.hewett@maine.gov). Questions regarding this application and finances should be addressed to me at 207-287-6779 or [Michelle.Palmer@Maine.gov](mailto:Michelle.Palmer@Maine.gov).

Sincerely,

David Wright, Director  
Division of Remediation  
Bureau of Remediation and Waste Management
