RE: Site Law Application and Natural Resources Protection Act Application
Blue Sky West, LLC and Blue Sky West II, LLC

Dear Mr. Knapp:

Your application for the above referenced permit was reviewed by the Department of Environmental Protection on May 10, 2013. The application was found to be acceptable for processing, and has been assigned DEP File #L-25973-24-A-N/L-25973-TG-B-N. Please refer to this number in any future correspondence.

The project is now being examined to determine whether a license can be issued. Acceptance of the application does not preclude the Department from requesting additional information during processing. The statutory deadline for this project is November 12, 2013. No construction activities at this project site may be started prior to receiving a final decision from the Department.

Please feel free to contact me at (207) 446-1806 or via email at Daniel.Courtemanch@maine.gov if you have any questions regarding this project.

Sincerely,

Dan Courtemanch
