RE: Hancock Wind Project: Project amendment
L-25875-24-A-N
L-25875-TF-B-N

Dear Ms. Lentine-Eggett:

Enclosed for filing are one hard copy and one CD of an application for project amendment for the Hancock Wind Project.

I will also send a full application and CD to LUPC in Bangor; the Towns of Aurora and Osborn; and the Hancock County Commissioners. Please let me know if you need any additional copies of any sections of the application.

Based on our discussion, this project amendment will be charged under the special fee provision, so no filing fees are included.

Please contact me if you have questions as you conduct your completeness review.

Sincerely,

A handwritten signature in cursive script that reads "Brooke".
