

**NUMBER NINE WIND FARM
MDEP NRPA/SITE LOCATION OF DEVELOPMENT COMBINED APPLICATION**

Section 23.
Water Vapor

**SECTION 23.
WATER VAPOR**

The Number Nine Wind Farm (Project) will not produce water vapor as a result of construction or operation of the wind turbines, electrical collector line, electrical collector substation, electrical generator lead lines, or Operations and Maintenance building. The Project will consequently not cause a change in the local climate.
