Subject: Board of Environmental Protection Hearing on Mining Rules
Date: Friday, September 09, 2016 1:27:54 PM

To the members of the Environmental Protection Board:

**I have just learned of another hearing on mining rules in Augusta on Sept. 15.
I will not be able to attend.**

**I wish to have my voice heard.
Please consider these facts:**

**Maine's Legislature has TWICE overwhelmingly defeated bad mining rules
that would endanger Maine's treasured land, lakes, rivers and coastal areas!**

**Now you are asking for revised rules that are still not strong enough and, if
passed, will put Maine's water and aquatic resources at risk.
The rules will still allow hazards to our precious preserved lands and waters.
Maine's environment should be protected.**

**Please remember that YOU as members of the DEP...Department of
ENVIRONMENTAL PROTECTION...
YOU should be committed to taking care of the land and waters of Maine, and
NOT taking care of the business of mining!**

**Sincerely,
Nancy Prince
