**Subject:** Keep Maine's Air Clean!

Dear Jeffrey Crawford,

I oppose the Department of Environmental Protection's petition to take most of Maine out of the Ozone Transport Region. By weakening Maine's participation in the agreement, Maine creates an opening for other states to leave as well which will result in more ozone pollution in our state. We need strong clean air protections in upwind states and should stay fully committed to this agreement. Thank you.

Sincerely,  
Michael McDonald
