## National Response Team

### Area Contingency Plan Workgroup

#### Primary Goals:

1. Complete baseline assessment outlining issues, gaps, or inconsistencies among current ACPs.
2. Achieve national consistency while affording flexibility at local level.
3. Promote synchronization & alignment of all plans across National Response System.
4. Develop a modern national architecture that supports tactical, accessible, & field friendly ACPs for all end users – both industry & govt.
5. Provide clarity on RCP & ACP domains.
6. Ensure better alignment w/other national planning frameworks (e.g. National Response Framework).
