

FIVE-YEAR RECERTIFICATION FOR LONG-TERM MAINTENANCE OF STORMWATER MANAGEMENT SYSTEMS

For Site Location & Stormwater Projects

This form complies with the condition that requires reporting every 5 years on the long-term maintenance of stormwater management structures of projects permitted under the Stormwater Management Law since 2005. Complete the following sections, include appropriate photos if available, and use additional paper if needed. A copy of the report if the inspection was performed by a professional experienced in BMP maintenance should be included. This form is available on the Maine DEP website at: <http://www.maine.gov/dep/blwq/docstand/stormwater/stormwaterbmeps/>

PROJECT SPECIFICS	
If the project is unfinished, please describe its current status and your plans for the future of the development. Filing this report to the Department of on-site long-term maintenance activities is still required.	
If the project is within a MPDES Regulated Town and a maintenance report has been prepared for this project, please attach the existing report.	
If the project is a subdivision with a Homeowner's association, identify the responsible party.	
Confirm that the required recording of deed restrictions for the protection of buffers or conservation land has been done and that the buffers are being maintained in accordance with the restrictions.	
Identify the contractor for the renewed 5-year maintenance contract for the inspection, cleaning and maintenance of manufactured proprietary structures.	
Is a maintenance log available for review?	

LONG-TERM MAINTENANCE (please comment on the following):

All areas of the development have been inspected for erosion, and appropriate steps have been taken to permanently stabilize these areas.

All stormwater control structures have been inspected for damage, wear, malfunction, and appropriate steps have been taken to repair or replace the failing systems

The erosion control and stormwater maintenance plan for the site is being implemented as written, and a maintenance log has been created and is being maintained.
